Captain Nemos Library:

Captain Nemo's Library Per Olov Enquist,1992 Captain Nemo s Library Per Olov Enquist In this novel by one of Sweden s most prominent novelists and playwrights an old man looks back on his childhood in rural northern Sweden attempting to unravel the meaning of a traumatic event in his past Enquist s obsessive and haunted tale combines philosophical interludes with deeply heart wrenching passages creating one of the most moving fictions of the latter twentieth century

Twenty Thousand Leagues Under the Sea Jules Verne,2003-05-21 Bring the Classics To Life These novels have been adapted into 10 short chapters that will excite the reluctant reader as well as the enthusiastic one Key words are defined and used in context Multiple choice questions require the student to recall specific details sequence the events draw inferences from story context develop another name for the chapter and choose the main idea Let the Classics introduce Kipling Stevenson and H G Wells Your students will embrace the notion of Crusoe s lonely reflections the psychological reactions of a Civil War soldier at Chancellorsville and the tragedy of the Jacobite Cause in 18th Century Scotland In our society knowledge of these Classics is a cultural necessity Improves fluency vocabulary and comprehension

Following the Animal Ann-Sofie Lönngrén,2015-09-10 Literary transformations from human to animal have occurred in myths folklore fairy tales and narratives from all over the world since ancient times and have always provided a narrative space for depictions of power agency and the radical nature of change In Following the Animal these transformations are analysed with regards to their use in modern literature from northern most Europe with specific attention being paid to the insights they provide regarding the human animal relationship both generally in the industrialized West and against the background of more specific circumstances in the Nordic area In three analytic chapters focusing respectively on Swedish author August Strindberg s novel *Tschandala* 1887 Finnish author Aino Kallas s novel *The Wolf s Bride* 1928 and Danish author Karen Blixen Isak Dinesen s short story *The Monkey* 1934 along with discussions of a range of other authors and texts the reader is introduced to several traditions of literary production that both connect to and differ from Anglophone and other literature in fascinating ways In addition to the insights it provides concerning the uses of human animal transformations in modern Nordic literature and their significance in relation to the question of the animal Following the Animal also offers literary scholars and students alike a series of useable and transferable strategies for approaching texts from a more than anthropocentric human animal studies perspective In phrasing and employing the interpretational method of following the animal over the text s surface up metaphorical elevations down material wormholes and in constant dialogue with previous research this book contributes greatly to both human animal literary studies specifically and to the field of literary scholarship generally in both an international and northern European context
