## **Captive Witness:**

**The Captive Witness** Carolyn Keene, Paul Frame, 1981      **Captive Witness** Carolyn Keene, 1982      **Captive Witness**  
**Mystery** Carolyn Keene, 1981 Trouble plagues a student tour through Europe as Nancy becomes involved in a plot to smuggle refugee children across the Austrian border from Eastern Europe      **The Captive Witness** Carolyn Keene, 1981-01  
Trouble plagues a student tour through Europe as Nancy becomes involved in a plot to smuggle refugee children across the Austrian border from Eastern Europe      **So Dreadfull a Judgment** Richard Slotkin, James K. Folsom, 1978 A classic selection of materials on Philip's War For the newly established New England colonies the war with the Indians of 1675-77 was a catastrophe that pushed the settlements perilously close to worldly ruin Moreover it seemed to call into question the religious mission and spiritual status of a group that considered itself a Chosen People carrying out a divinely inspired errand into the wilderness Seven texts reprinted here reveal efforts of Puritan writers to make sense of King Philip's War Largely unavailable since the 19th century they represent the various divisions of Puritan society and literary forms typical of Puritan writing from which emerged some of the most vital genres of American popular writing Thoroughly annotated the book contains a general introduction and introductions to each text      **The Captive's Position** Teresa A. Toulouse, 2013-04-23  
Why do narratives of Indian captivity emerge in New England between 1682 and 1707 and why are these texts so centrally concerned with women's experience supported and even written by a powerful group of Puritan ministers In *The Captive's Position* Teresa Toulouse argues for a new interpretation of the captivity narrative one that takes into account the profound shifts in political and social authority and legitimacy that occurred in New England at the end of the seventeenth century While North American narratives of Indian captivity had been written before this period by French priests and other European adventurers those stories had focused largely on Catholic conversions and martyrdoms or male strategies for survival among the Indians In contrast the New England texts represented a colonial Protestant woman who was separated brutally from her family but who demonstrated qualities of religious acceptance humility and obedience until she was eventually returned to her own community Toulouse explores how the female captive's position came to resonate so powerfully for traditional male elites in the second and third generation of the Massachusetts colony Threatened by ongoing wars with Indians and French as well as by a range of royal English interventions in New England political and cultural life figures such as Increase Mather Cotton Mather and John Williams perceived themselves to be equally challenged by religious and social conflicts within New England By responding to and employing popular representations of female captivity they were enabled to express their ambivalence toward the world of their fathers and toward imperial expansion and thereby to negotiate their own complicated sense of personal and cultural identity Examining the captivity narratives of Mary Rowlandson Hannah Dustan Hannah Swarton and John Williams who comes to stand in for the female captive Toulouse asserts the need to read these gendered texts as cultural products that variably engage shape and confound colonial

attitudes toward both Europe and the local scene in Massachusetts In doing so *The Captive's Position* offers a new story of the rise and breakdown of orthodox Puritan captivities and a meditation on the relationship between dreams of authority and historical change

**The Captive Witness** Elin Rhodes, 2025-05-30 Marina spent years escaping the ghosts of her past carving out a quiet life in the city far from the strange and painful upbringing she refuses to speak of But when she witnesses a brutal crime in the wrong place at the wrong time her world is shattered Kidnapped by a ruthless gang leader Marina is thrust into a dangerous game of power secrets and obsession Her captor isn't just interested in silencing her he's fascinated by her The way she carries herself the shadows in her eyes the past she refuses to share He's determined to unravel her secrets and he won't stop until he does As Marina fights for her survival she's forced to confront the nightmares she buried long ago But in a world where trust is a luxury and escape seems impossible she must decide will she remain a captive of her past and her captor or will she find a way to take back control before it's too late
