Black Trillium:

Black Trillium Marion Zimmer Bradley, Julian May, Andre Norton, 2015-07-07 Three fan favorite authors present a classic fantasy quest involving mysterious wizards rites of passage and the salvation of a kingdom Library Journal Peace has long reigned in Ruwenda thanks to the magical protection of the Archimage Binah The realm s devoted guardian is aging however and her magic is weakening When the kingdom s triplet princesses were still infants Binah gave each of them the mystical power of the Black Trillium But the unthinkable occurs too soon and Ruwenda is overrun by the ravaging armies of neighboring Labornok before the sisters Haramis Kadiya and Anigel have time to learn how to use their great gift Forced to flee the young princesses must follow their separate destinies through a dangerous and unfamiliar world of Oddlings and enemies for only the combined power of three magical talismans can help them defeat the malevolent sorcerer who has brought chaos and death to their once idyllic home But it will take new kinds of strength and wisdom to confront the great evil that has descended on the World of the Three Moons Marion Zimmer Bradley Julian May and Andre Norton three of the most honored names in fantasy fiction have joined forces to create an extraordinary world and culture in the first book of the remarkable Saga of the Trillium a breathtaking tale of duty peril love and magic Black Trillium ,1990

Medicinal Plants, Trees & Shrubs of Appalachia Bill Church, 2013-01-15 Medicinal Plants Trees and Shrubs of Appalachia I originally wrote this book to help me identify plants in the field woods and along streams for medicine and a friend suggested that I offer it for sale to other folks to help them also This is the result of that work I have studied herbal medicine since 1999 and have taken many classes on herbal medicine throughout the country I tend to lean more toward the traditional Native American way of healing since that is in my blood To really learn about the plants you have to put in the dirt time that means that you have to spend as much time as possible studying them and don t depend on one book use many different ones as each one gives you a different perspective on each plant Find teachers to teach you and learn as much as you can from each My hope is that whoever purchases this book will learn that all weeds are not weeds and that some medicine can come from your own back yard One instructor that I had on herbal medicine says that she believes that for whatever ailment that you have at the time that you will find the cure in your backyard and I have found that plants will change location from year to year This book covers 105 medicinal plants with color photographs with a space on the back of each page for notes I have provided information on weights measures dosages gathering and drying of herbs type of preparations herbal properties plant terms a list of symptoms and what herb to use for them plant usage location when to harvest parts to harvest when to gather and when it blooms by month
