Beggs,2004 Welcome to the Libido Cafe where monkeys are welcome the piano has been drinking and the coffee is always perfect In his second collection Marck L Beggs explores a wide range of poetic forms and subjects From the formal structure of the sonnet to invented forms and linguistic experiments from the vulgar to the salubrious from the humorous to the offensive the poet brings a new voice and a fresh sense of urgency to each poem The result is a book which crosses genres and schools of poetry Beggs s poems veer from the immediately accessible to the obscure in a word eclectic Café Alibi Todd Swift,2002 Swift s Budavox poems 1990 1999 explored sex violence art and memory to critical acclaim His new collection Caf Alibi written while the author lived abroad in Budapest and Paris extends these concerns to include popular culture history desire nostalgia and the often competing claims of travel and home Swift s crisp elegant deceptively calm language questions images of the child the adult and the outside world in ways both witty and disturbing Caf Alibi maps a stylish itinerary through exotic terrain offering at once hostility and ultimate peace poetry that puts love to the test and disarms our darkest fears The Mischief Cafe T. S. Poetry Press,L. L. Barkat,Maureen E. Doallas,2014-10-05 Poetry is for life not for ivory towers At Tweetspeak Poetry it has been our delight to bring poetry to people right where they are To bring together established poets and poets taking first steps And to invite those who thought they could never be a part of poetry to dip in without fear Because we strongly believe poetry is for life Somewhere along the way as part of our poetry merry making we opened The Mischief Caf It s a welcome space on our website But also somewhere along the line it began to feel like more Maybe The Mischief Caf should not just be virtual we started to think And so it began The idea of a traveling caf bringing poetry to people right where they are In their own homes amidst friends With toast buttered and tea It s an idea that s still working itself out but for now sometimes a member of our Tweetspeak Poetry team will come to tea with poetry And sometimes poetry lovers won t want to wait for that So they ll make

a little poetry mischief on their own This book describes the idea of a Mischief Cafe and how to run one includes over thirty poems from T S Poetry Press titles and from the conversation with fans that started the idea of this book and has blank pages for new poems that caf gatherers can write together over time using or not the 34 poem title prompts provided throughout Overall the book gives you everything you need to run your own Mischief Cafe or attend one an explanation you can read aloud at your gathering poems to share prompts to inspire Everything that is except the toast buttered and tea *Poems from the After Hours Café* Angela Nunez, John LaPlaca, 2011-08-24 A seeded selection of poetry prose from a couple of prodigious writers who happened to meet thru the whims of fate Together their writings evoke spirits of life loss love heartbreak by their mystical interpretations of observations made by us all Eavesdropping in Plato's Cafe Jack Ramey, 2015-04-02 In real and imagined terrains where the past often mingles with the future and is always alive in the present the poems in Jack Ramey s provocative new collection Eavesdropping in Plato s Cafe are lyrical celebrations of the mysteries of life death and eternity In these compelling evocations of the natural and supernatural world he embraces the fragility of existence The three sections of the book End Games World Soul and Ghost Dance take the reader on a journey through time and space that is as real as the 21st century ground beneath our feet and as magical as the ancient promise of an afterlife where all forgotten dreams are remembered The title poem and others in the collection touch on the intellectual and aesthetic history of the West while others trace a highly personal spiritual evolution incorporating both eastern and western spiritual thought The poems both the long ones and the shorter lyrics are filtered through an understanding that we as human beings are all temporal creatures striving toward some understanding of why we are here and where we are going They speak through a highly charged musical idiom that touches the intellect as well as the heart **Revel** Carla Coles, 2019-02-11 I m in my favorite cafe Reading poetry that somehow knows me Sipping coffee Tugging on a blanket that cover me Feet to shoulders I look outside And see winter s white Pondering all the things That disappear into the blue sky Join me Take this journey Turn every page **Red Sky Café** Geoffrey O'Brien, 2005 Postcards and poem cards a fistful of sonnets a cento stitched out of forgotten poems and a lipogram on cosmology a Greek myth retold by its regretful hero and a number of unwritten novels synopsized a dance number from a lost Betty Grable musical a very small opera and the catalogue description of a painting best not looked at the text for a funerary rite a silent cowboy picture verbalized interpretive extrapolations of an old engraving and of frames from the Nibelungen of Fritz Lang these might be the wall hangings for an open roofed taverna on the outskirts of an eroding cityscape where the sounds of distant bombardments occasionally filter through the floor show s synthesized flute music Red Sky Caf is a mix of songs narrative episodes previews of coming attractions and memorabilia of abandoned alleys loft spaces and television programs glimpsed in distorted form through the window of a neighbor s apartment The intercepts transcribed are not devoid of static and are occasionally interrupted by ambient laughter and crowd noises not to mention the odd and invariably distressing newscast with special guest

appearances by Medusa Catullus Clinton prosecutor Kenneth Starr and a complement of jungle moon men Red Sky Caf collects poems from the last decade many of which appeared previously in such places as Hambone Fence Conjunctions Open City and The Germ

Kell,2007 Cafe Crazy Francine Witte,2017-12-05 Don't be misled by the title of this book Though a tomato may scream if you stab it or the vicissitudes of domestic life lick your ankles below your TV tray like a lupine tongue there is more method than madness to Francine Witte's portrayal of how crazy interweaves with the mundane in this collection Read through Cafe Crazy and see just how sure her hand is on the tiller Life may be fractured and experience treacherous to navigate but these poems offer a regenerative and welcome cohesion guiding us surely through the complex truths and misunderstandings of the Human Experience This is a voice you can trust to tell the real story her story telling gifts are in full force in these poems Welcome to Cafe Crazy enter here though the aperture of a poetic voice in full command of its faculties George Wallace Writer in Residence Walt Whitman Birthplace In Cafe Crazy Francine Witte serves up tough street smart narrators and injects them with an incurable sense of wit while exercising the imagination to its legal limits The essence of Witte's work is sometimes dark sometime playful but always frighteningly addictive Meg Pokrass author of The Dog Looks Happy Upside Down Francine Witte's Cafe Crazy serves up a series of singed epiphanies the burn out of not one but two marriages their ash remains Not all fires burn the same the poet warns in the opening poem of this fine collection and she's right yet each betrayal burns each ending leaves scars This parallel journey of doomed relationships the poet's and that of her parents explores how love gets lost inside somewhere while you're not paying attention Witte's skill lies in her willingness to go deep and to spare no one She longs for love But love like any bird gets tired of flying and looks for a place to nest These brave poems rise like the phoenix from the ashes These are the poems that pull you through These are the poems that save you Alexis Rhone Fancher author of Enter Here poetry editor Cultural Weekly
