Journal of American Folklore ,1911 **An American Singing Heritage** Norm Cohen,Carson Cohen,Anne Dhu
McLucas,2021-12-20 This edition brings together representative transcriptions of folk songs and ballads in the British Irish
American oral tradition that have enjoyed widespread familiarity throughout twentieth century America Within are the one
hundred folk songs that most frequently occurred in a methodical survey of Roud s Folk Song Index catalogues of commercial
early country or hillbilly recordings and relevant archival collections The editors selected sources for transcriptions in a
broad range of singing styles and representing many regions of the United States The selections attempt to avoid the biases
of previous collections and provide a fresh group of examples many heretofore unseen in print The sources for the
transcriptions are recordings of traditional musicians from the 1920s through the early 1940s drawn from 1 commercial
recordings of hillbilly musicians and 2 field recordings in the collection of the Library of Congress s Archive of American Folk
Song now part of the Archive of Folk Culture Each transcription is accompanied by a brief contextualizing essay discussing
the song s history and influence recording and performance information whenever available and an examination of the tune
