shutter the beach bar for good Musicians and locals unite to save the bar from ruin Hardback 189 pages 19 99 Out of print
Synopsis Johnny Glass has had it with Nashville Its many posers pimps and politicians preyed on him for four difficult years
leaving him disheartened A talented struggling singer songwriter he still yearns to make a living doing what he loves writing
and singing songs A former band mate lives in a broken down Airstream camper on the Florida Alabama State line near the
sparkling Gulf of Mexico for free Playing music and singing songs at the world famous Flora Bama Lounge and Package Store
on the beach is his everyday gig Johnny has a standing offer to join his buddy anytime as the owner of the place is a lover of
singer songwriters and could certainly use someone with his skills Lucy Whitman is a sophomore debutante at the University
of South Alabama and the privileged daughter of an Alabama State Senator Uninterested in her life as a university student
and sorority girl Lucy tilts to the wild side on the weekends where she sings unbeknownst to her overbearing parents in a
bona fide honky tonk band at America s Last Great American Roadhouse the Flora Bama Instead of planned summer school
she has decided to spend the entire tourist season singing and if it goes well she likely won t go back to South For Johnny and
Lucy it s love at first sight Through joined artistry their relationship grows and they become a popular on stage duo They
enjoy each other and the creative fulfillment the partnership brings However Lucy s mother and powerful father want
nothing of their daughter playing a honky tonk joint in Orange Beach After gently trying to win her favor they make their
strongest connected attempt toward altering her brazen life path and it has devastating consequences not only for Lucy s
music but for everyone living on Pleasure Island The beloved Flora Bama may be shuttered for good Lucy s father uses his
political connections to deploy an army of state government agents against the beach bar trumping up dozens of unfounded
charges resulting in its indefinite closure Already in financial trouble stemming from bad outside investments a great
recession and an unprecedented manmade environmental disaster the bar cannot afford to be closed during the lucrative
tourist season Johnny and Lucy the locals and the rest of the musicians join forces with the Flora Bama s loveable owner and
come up with a plan to save the quintessential beach bar and the community it faithfully supports In doing so Johnny and
Lucy realize the grand futility of commercial success and the bountiful wealth they already possess from living and enjoying
life making music and many friends in a beautiful unforgettable place like no other Saved at the Alabama Florida Line is a
romantic satirical tale of forbidden love that seeks to draw semblance to Southern living art failed politics and pop culture
