How To Profit From Creating Your Hot Online Selling Digital Product Kristy Jenkins,2015-06-11 How to Get Started Selling Your Own Digital products Selling digital products is a great source of income for entrepreneurs it s a semi passive income source because efforts are required for marketing your created products to attract traffic to your online Moneysites and provide customer support for them unless such supporting services are being outsourced It may seem like a pretty intimidating idea if you have never created your own product but it really doesn t have to be that complicated and in this ebook we ll take a look at what is involved with creating your very own hot selling digital product While there are endless possibilities when it comes to creating and selling digital products there are a few types of products that tend to be the most common This ebook will offer various in depth understanding to various options If it s possible to make money by promoting other people s products as an affiliate why would you want to go to the trouble of creating your own product Well there are several reasons to this one of the most significant is the unlimited income potential and you will have full control over all the details of the product and its pricing which is not the case if you are promoting a product as an affiliate Many of the most successful technopreneurs have made it Big online and usually are with their own digital products Having your own exclusive product is great for branding yourself as an authority on a particular subject Think about it which other businesses will allow you to work where when and how you want In case if you are wondering that this journey might involve thousands of dollars to invest and risk Well that has never crossed my mind as digital product business has little to NO RISK There will be some expenses involved to register some domain names get web hosting and perhaps outsource some content But all in all it will not exceed the price of an iPhone or a digital tablet as long you start with small steps Another reason why you should start a digital product business is that it s a completely automated business You set everything up once and simply drive traffic all repeated sales income automatically will be deposited into your payment gateway account on 24 7 365 days all at its own operation

The Broke Student's Blueprint: Make Your First ₹5,000 Online Without Any Experience ,2026-03-14 Here s a high converting description you can copy paste directly into Google Play Books Google Play Books Description Are you a student sitting on skills you don t even realize are worth money Most students think making money online requires years of experience a massive following or expensive equipment The truth You need none of that You need the right strategy and the courage to start before you feel ready This book is written by a student for students No corporate fluff No recycled advice you ve already heard a hundred times Just a straight honest step by step roadmap to making your first 5 000 10 000 online selling logos and ebooks from your phone or laptop starting today Inside this book you ll discover How to design professional logos in Canva even if you ve never designed anything before How to write and sell an ebook on something you already know in just 2 3 weekends Where to find your first paying clients hint they re closer than you think How to set up Fiverr Gumroad and Instamojo to start receiving payments today The exact messages

to send to get your first client copy and paste ready How to price your work so you don't undersell yourself A complete 30 day action plan what to do every single day to hit your first 5 000 This book is for you if You're a student who wants financial independence without dropping out or neglecting studies You've tried watching YouTube videos but never actually taken action You have some design or writing ability but no idea how to turn it into income You're tired of depending on pocket money and want to build something real This book is NOT for you if You're looking for a get rich quick scheme You're not willing to put in even 1 2 hours a day You already have a full freelancing business running What makes this different from every other make money online guide Most guides are written by people who made money 10 years ago in a completely different internet This guide is built for 2025 Indian platforms Indian payment methods Indian audiences It talks about Instamojo and UPI not just PayPal It talks about WhatsApp and college groups not just Twitter It meets you exactly where you are The students who follow this plan don't just make money they build confidence They realize that their skills have real value And that changes everything Your first 5 000 is closer than you think This book shows you exactly how to get there Includes a FREE bonus 30 day checklist so you know exactly what to do every single day **How to Create, Publish, Promote & Sell an eBook Successfully All for FREE.
