YouTube Strategies Paul Colligan,2013-03 I love YouTube Always have Always will She s been very good to me not just at my Colligan Channel but through a number of partners and ventures online With me and my face

for radio I'm confident in saying anyone can see success on YouTube with the right strategies. That's why I wrote this. I did a few courses about YouTube that sold well and made some good money but I always got frustrated with the simple reality that whenever we would put something out there YouTube would change their interface. Funny thing is there are some things about YouTube that will never change or at least haven't changed yet. Despite all the interface changes the whole Google Plus integration and everything else the core of what I've taught stands true. But unfortunately it all stands true against screenshots and videos from interfaces so last week so with that I release this book. It's the top 21 questions I get asked about YouTube as well as a few that people should be asking. At the end of each answer is an even shorter summary and a few action items. Put them to good use. The screens might change. The interface might get gussied up but the stuff here won't change. Fair enough. Here are the questions this book answers: Is YouTube Really A Social Network? How Can You Leverage That Fact? How Do I Make The Best Of The New YouTube Live Options? How Can I Optimize My YouTube Channel And Videos? What Can I Do To Maximize My YouTube Channel? How Should I Integrate My YouTube Strategies With Other Social Networks? How Do You Get Your YouTube Video Ranked On The Front Page Of Google? What Are The Best SEO Methods And Strategies For A YouTube Video? What Equipment And Software Do I Need To Create A Decent Quality Video? What Value Is There In Closed Captioning Your YouTube Videos? What Is The Ideal Length For A YouTube Video? How Should I Use YouTube Annotations? How Do I Make My Video Go Viral? What Quality Should I Publish My YouTube Videos In? How Do I Get My Videos To Link Outside Of YouTube? What Is The Best Format For A YouTube Video? What Should I Do After I Publish My YouTube Video? When Should I Use YouTube And The YouTube Player? When Should I Not? Is It Better To Have One YouTube Channel For Everything I Do? When Should I Let YouTube Place Ads On My Videos? What Are The Best Third Party Tools And Services For YouTube? Should I Use Services To Get More Views For My YouTube Videos?
