The 20% that will create 80% of your results. That's the point of *Upwork Essentials* to teach you that 20%. Instead, the first project I landed was for 2191.78. Not bad for a complete beginner. I landed several more projects like that and hit over 10K in earnings in my first few months. Years later, I decided to teach what I knew about Upwork. THIS book, though, is a distillation of what I did in those first few months to get started so quickly. A method I've taught now to over 6000 students, many of whom have seen a dramatic change in their results in just days.
