technologies can be used for social justice across very different political and social terrains Can you truly reach out to  
somebody who is in every aspect the direct opposite of yourself Gabriel and Tilda the two protagonists of this futuristic novel  
are very different people They work at a Berlin based international aid company and the only thing they can agree on is that  
the world is in a shambles Scarce public resources conflict and crises inequalities religious and socio cultural belief systems  
that cement social injustice have created a world as deeply divided and set apart as Gabriel and Tilda They are sent on  
company business to recruit international partners for a social development project on global justice and start travelling the  
world together On their adventurous journey through many countries they learn about the impacts of culture on social  
welfare systems while trying to define their own relationship which is intermingled with generational power games and  
milieu specific worldview struggles In Gabriel and Tilda s attempts to bridge the deep gulf between their personalities the  
novel creates a metaphor for finding a cohesive model of global justice using artificial intelligence that can integrate highly  
contextualized national value cultures Gabriel and Tilda are supported by two guardian angels Assigned to save the planet  
through interpersonal and intercultural integration the angels GA and TA team up with English Benedictine monk and mystic  
guru Bede Griffiths who is very keen to help Tilda and Gabriel in their model pilot of unlikely love     Intuitive Wellness
