Humans vs Monsters David A. King Jr, 2019-01-31 The year is 1912 The world is reeling from the worldwide Great Depression which has left every nation on earth reeling financially During this time two camps of nations have risen to prominence The nations of America France England and Russia despite the economic collapses have managed to start to pull themselves out of the Great Depression On the other side is the UMN the United Monster Nations comprised of Transylvania home of the vampires Luciansburg home of the werewolves or Lycans Covenia home of the Witches or Wiccans and Decemus home of the zombies or the walking dead Both groups of nations are weary of one another The UMN is ruled over with an

iron hand by Grand Chancellor Alucard who has brought to an end the centuries long war between the monster races and has had the monster clans united in their hatred of mankind At the outset of our story the UMN has been on a military buildup for more than ten years now and is planning a massed military assault against the human nations listed above for control of the Earth Though they preach for peace with America this is just a clever ruse by Lord Alucard to buy his nations more time to prepare for war One can only imagine the horrors of a conventional war Gone are the days of lining up soldiers and having them simply walk into oncoming fire This is a new century with new ways of warfare A conventional war could mean the deaths of countless millions of lives both monster and human
