Castle Tzingal A Poem:

Castle Tzingal Fred Chappell, 1984-10-01 With this poem Fred Chappell takes his readers far from the southern landscape and familiar passions of his acclaimed Midquest tetralogy. He tells instead of a forbidding medieval castle ruled by a mad king and peopled by bitter scheming grotesques and melancholy weaklings who cower at the sound of the sweet sad voice of truth that haunts their nights. Castle Tzingal is a fairy tale without moral or happy ending, a tale in which lies and self-deceptions take the place of ogres and in which moral corruption is the dragon to be slain. In a series of highly formal dramatic monologues Chappell presents the corrupt longings and fears of the court's manipulative astrologer, its forlorn queen, a pensioned admiral, a seductive page, and the homunculus born of chemicals and fire who spies on them all. What things I might say if I so inclined. The astrologer's passion for a comely page. Is news. Queen Frynna has no peace of mind. Since a nimble harpist sojourned here. Last twelvemonth there's a wealthy vein of silver. Runs beneath our Castle Tzingal. The magpie. Singing in the courtyard wicker cage. Is a transformed enemy sorcerer. This kind of information finds its flowering. In time all knowledge becomes of use. And when it does I bear it to the King. Ruling over this monstrous court is King Tzingal himself, self-proclaimed great lord of toads whose only power is hatred and whose reign can only be ended when his dismal kingdom is finally overrun by truth by poetry. Set in a mythical kingdom in a mythical age, Castle Tzingal is a political fairy tale that speaks with the vivid, sometimes harsh truth and knowledge of our most fevered nightmares. **Dream Garden** Patrick

Bizzaro, 1997-08-01 **Dream Garden** provides the first inclusive appreciation and evaluation of the poetry of one of the South's indeed America's premier writers, Fred Chappell. The selections range from a poignant prologue by George Garrett to appreciations by R. T. Smith and R. H. W. Dillard, from critical pieces by Henry Taylor and Dabney Stuart, among others, to a description of the Chappell papers at Duke University by Alex Albright. In addition, **Dream Garden** includes a recent interview with Chappell by Resa Crane and James W. Kirkland. **Dream Garden** is essential reading for those interested in the writing of Fred Chappell, one of the finest voices in the South. **Southern Literature and Literary Theory** Jefferson

Humphries, 1992-07-01 In this stimulating collection of essays, twenty scholars apply new theoretical approaches to the fiction and poetry of southern writers ranging from Poe to Dickey, from Faulkner to Hurston. Departing from earlier traditions of southern literary scholarship, this book seeks not to create a new orthodoxy but to suggest the diversity of critical tools that can now be used to explore the literature and culture of the South. Including essays based on deconstructionist, feminist, and Marxist theory, the book features contributions from such critics as Henry Louis Gates, Harold Bloom, Fred Chappell, and Joan DeJean. Yet for all their variety, the essayists share the same central concern: We have in common, writes Jefferson Humphries, one thing that sets us apart from our elders in our conception of the South and our approach to southern literature: the basic assumption that the meaning and significance of literature is not in the immanence of the literary object or in history but in the complex ways in which the literary, the historical, and all the human sciences that study both are interrelated. Instead of

simply taking the South for granted the contributors to this volume see it as a text and an idea as something whose ideological underpinnings complexities and contradictions must be subjected to close reading and questioning Southern Literature and Literary Theory represents a major effort to redefine the relationship of southern writing and the South itself to the larger world

Understanding Fred Chappell John Lang, 2000 Lang evaluates Chappell's major works including the four novels preceding *Midquest* the first five volumes of poetry the remarkably different books of poems published between *Castle Tzingal* and *Spring Garden* New and Selected Poems and the two collections of short stories An investigation of the varied connections between and achievements of the Kirkman tetralogy and *Midquest* concludes this analysis BOOK JACKET
