Edited by

Philip Collins

Dickens Interviews And Recollections

Anne D. Wallace

Dickens Interviews And Recollections:

Dickens Philip Collins,1981-06-18 *Dickens, Interviews and Recollections (Interviews & Recollections) (v. 1)* Philip Collins,1981 Charles Dickens, Interviews and Recollections ,1980 Charles Dickens Philip Collins,Charles Dickens,1981 *Dickens's Artistic Daughter Katey* Lucinda Hawksley,2018-04-30 A biography of a Victorian era woman who grew up as the daughter of novelist Charles Dickens and found a creative career of her own Katey Dickens was born into a house of turbulent celebrity and grew up surrounded by fascinating famous and infamous people From a very young age she knew her vocation was to be an artist Lucinda Hawksley charts the life of a celebrated portrait painter who redefines our preconceptions about Victorian women Living to be almost ninety Katey survived an unconventional marriage love affairs heartbreak depression and the challenges of being a female artist in a male dominated era Compelling and illuminating this biography of Katey Dickens tells the story of a spirited woman who found fame at the center of the first celebrity phenomenon it also uncovers the reality of what it was like to be a child of Charles and Catherine Dickens Shaw A M Gibbs,1990-06-14 Dr Johnson Norman Page,1987-06-18 *Charles Dickens and Georgina Hogarth* Christine Skelton,2023-04-18 Charles Dickens called his sister in law Georgina Hogarth his best and truest friend Georgina saw Dickens as much more than a friend They lived together for twenty eight years during which time their relationship constantly changed The sister of his wife Catherine the sharp and witty Georgina moved into the Dickens home aged fifteen What began as a father daughter relationship blossomed into a genuine rapport but their easy relations were fractured when Dickens had a mid life crisis and determined to rid himself of Catherine Georgina s refusal to leave Dickens and his desire for her to remain in his household led to rumours of an affair and even illegitimate children He left her the equivalent of almost 1 million and all his personal papers in his will Georgina s commitment to Dickens was unwavering but it is far from clear what he did to deserve such loyalty There were several occasions when he misused her in order to protect his public reputation Why did Georgina betray her once much loved sister Why did she fall out with her family and risk her reputation in order to stay with Dickens And why did the Dickenses daughter Katey say it was the greatest mistake ever to invite a sister in law to live with a family **Interviews and Recollections** ,19?? The King of Inventors Catherine Peters,2014-07-14 In this major biography Catherine Peters explores the complicated life of Wilkie Collins the greatest of the Victorian Sensation novelists and author of the famous *Woman in White* and *The Moonstone* An intimate of Dickens and of the Pre Raphaelites Holman Hunt and Millais Collins was called the king of inventors by his publisher On the surface he was charming unpretentious and extremely good company beloved by men and women Beneath this facade however he was a complex and haunted man addicted to laudanum and his powerful often violent novels revealed a dark side of Victorian life He supported two common law wives and their children and as Peters shows he provoked scandal by refusing to cloak his complicated love affairs in the customary hypocritical pretense of the period Having discovered a hitherto unknown autobiography by Wilkie

Collins's mother Peters draws on this document and on thousands of Collins's unpublished letters to create this provocative picture of his life and times. She describes in detail the saga of his exhausting struggle for better copyright protection for authors especially for English authors in the United States. She has also studied the manuscripts of his novels, plays, and stories including those which he did not complete, finding that some of his neglected novels turn out to be much more interesting than most readers realize today. This edition of the book has been supplemented to include an appendix describing Collins's Tahitian novel. Written when he was twenty, the manuscript of this work, *Iolani*, was thought to have disappeared but it has recently been rediscovered and sold to a private collector. For any Collins enthusiast or for anyone interested in the literary history of the Victorian period, *The King of Inventors* provides a vivid account of Collins's unusual personal life in the context of his literary and artistic friendships and of newly revealed facts about the two women with whom he shared his double life. Originally published in 1993, *The Princeton Legacy Library* uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

[The Victorians and the Eighteenth Century](#) Francis O'Gorman, Katherine Turner, 2017-07-05. Disrupting the common assumption that the Victorians regarded their eighteenth-century predecessors with little interest or with disdain, the essays in *The Victorians and the Eighteenth Century* propose a re-examination of these relationships. Together they expose some of the significant and complex ways in which key aspects and texts of the eighteenth century were situated, read, and transacted within the post-Romantic nineteenth century. Individual essays examine the influence of the work of Pope and the eighteenth-century novelists such as Johnson, Chatterton, and Rousseau on a range of Victorian writers and cultural productions including Dickens, Eliot, Oliphant, and Ruskin; historical fiction; late Victorian art criticism; *The English Men of Letters* series; and the *Oxford English Dictionary*. The contributors challenge long-held views about Victorian uses of the past and offer new insights into how the literature and culture of the eighteenth century helped shape the culture and identity of the nineteenth. This collection of essays by an impressive array of scholars, with a Preface by David Fairer, represents a unique approach to this area of literary history and offers new perspectives on the nature and methodology of periodization. While it is obviously of great interest to students of eighteenth-century and Victorian literature, it will also appeal to readers more broadly concerned with questions of literary influence, periodization, and historiography.

Dickens's Nonfictional, Theatrical, and Poetical Writings Robert Conrad Hanna, 2007. Focuses on what could be described as all the rest of Dickens's writings. This book talks about the author's more than 2,000 annotated entries that identify nonfictional, theatrical, and poetical works by way of extant commentary since an eight-year-old Dickens's first play in 1820.

Dickens's Christmas Books, Christmas Stories, and

Other Short Fiction Ruth F. Glancy, 1985 Writers and Their Houses Kate Marsh, 1993 Fifty essays by pre eminent living authors on the literary masters of Great Britain and Ireland The texts represent some fascinating match ups Margaret Drabble on John Keats P D James on Jane Austen All the residences featured can be visited by the public today Includes visiting information 200 photos Maps *Mosaic* , 1991 **Book Review Index** , 1985 Every 3rd issue is a quarterly cumulation **Waterstone's Guide to Books** Waterstone & Co, 1988 The Old Curiosity Shop Priscilla Schlicke, Paul Schlicke, 1988 Walking, Literature, and English Culture Anne D. Wallace, 1993 BL A cultural history of walking in nineteenth century England assessing its importance in literature and in culture at large BL Authors considered include Wordsworth Clare Barrett Browning Dickens Hardy and George Eliot *Dickensian Digressions* Peter Rowland, 2011 Two major Dickens studies each of them breaking fresh ground vie for attention in this absorbing volume The first explores the extent to which Charles Dickens inherited the mantle of Charles Lamb It demonstrates how heavily as a hunter he drew upon his predecessor s work for inspiration adopting Elia s themes and mannerisms and virtually taking his place on the English literary scene even to the extent of inheriting John Forster as his closest friend and confidant Charles the Second followed very closely in the footsteps of Charles the First in every respect for Lamb s swansong The Last Essays of Elia appeared at the beginning of 1833 and the very first sketch emanating from Boz appeared at the end of that year Lamb s pervasive influence is detected not only in the Sketches and Pickwick Papers but also in later novels such as David Copperfield and Our Mutual Friend as well as the peregrinations of The Uncommercial Traveller And it is shown how the opening scene of Great Expectations was inspired by a chapter in Mrs Leicester s School written by Lamb s sister The second major study explores the strained relationship between Dickens the leading novelist of the day and T B Macaulay the leading historian of the day It pinpoints the latent simmering animosity and tensions between the two men over a period of twenty five years and the extent to which their views differed on current issues as well as celebrating the few occasions on which they were able to join in common cause Carlyle the favorite historian of Dickens and Thackeray a close friend of Macaulay have peripheral parts to play in this study Other research topics include a search for Bob Fagin the prototype in nomenclature terms of the villainous Jew in Oliver Twist the revelation of a public letter addressed to Maria Beadnell Dickens s first love advising her to keep her distance and reflections on how H G Wells blatantly managed to produce an up dated version of David Copperfield which went undetected Research is devoted to the extent to which Dickens truly believed in ghosts and the manner in which his spirit apparently contacted Sir Arthur Conan Doyle in order to explain how The Mystery of Edwin Drood was intended to end In which connection the extent to which Sherlock Holmes became involved in the case is examined and there is also a Droodian fragment from an unexpected source to take into account fully the equal of the celebrated Sapsea fragment Peter Rowland is wellknown in the field of Dickens studies He is in the unique position of having in effect completed both the books which Dickens left unfinished his autobiography published as My Early Times 1988 and 1997 and his final novel published as

The Disappearance of Edwin Drood 1991 His most recent work has been a biography of Lanoe Falconer Mary Elizabeth Hawker Academica Press LLC 2009
