Dictionary Of Australian Inventions:

The Dictionary of Australian Inventions and Discoveries Margaret McPhee,1993-01 **Australia's Greatest Inventions** Lynda De Lacey,2007 Australia has a reputation for innovation and inventiveness that famous tie it up with fence wire attitude towards getting things done is one of our best known national characteristics Popular opinion tells us that a knack for adaptation for jerry rigging and so called bush improvisation is one of the qualities that marks us out as Australian If you had to play spot the Australian among other nationalities you d choose the ones with the duct tape and pliers in their hands But ask your average Aussie to reel off a list of uniquely Australian inventions at a pub trivia night and most won t get much further than the stump jump plough the Hills Hoist Speedos and the pavlova Suddenly you may find yourself wondering if we re all that inventive as a culture after all These examples certainly don t seem to build a terribly convincing case This book proves that for a 200 year old culture with a relatively small population Australians have a much richer inventive history than we give ourselves credit for Once we ve seen that this reputation for inventiveness is justified the next question becomes is there something in our cultural wiring something about being Australian that makes us more inventive than other people This book is part of Exisle Publishing s Little Red Books series Every title in the Little Red Books series provides an overview of key events people or places in Australian history They cover the essentials bringing the reader up to speed on the most important fascinating or intriguing facts Appealing to everyone from students to pensioners who ve always wanted to know a bit about that they re an essential part of every Australian bookshelf Australian Books in Print 1999 K G Saur Books,1999-04 Excellent coverage essential to worldwide bibliographic coverage American Reference Books Annual This comprehensive reference provides current finding ordering information on more than 123 000 in print books published in Australia You ll also find brief profiles of more than 12 000 publishers distributors whose titles are represented as well as information on trade associations local agents of overseas publishers literary awards more From Thorpe Dictionary of the Slang-English of Australia and of Some Mixed Languages Karl August Lentzner,1892 **Dictionary of the Slang-English of Australia** Karl August Lentzner,1891 **Historical Dictionary of Australia (Oceanian Historical Dictionaries, No 1)** J. C. Docherty,1992-12 **Measured Success** Peter Cebon,2008-07-15 For several years Australia has been slipping behind the rest of the OECD in its rate of business innovation If as economists believe innovation is the fundamental driver of prosperity this is a harbinger of long term problems for the country To find a successful way forward we need to understand the nature and limitations of our innovation achievements Measured Success analyses eleven cases of Australian high technology innovation exploring where we have gone right and where more could have been achieved Drawing lessons from both the successes and failures the authors provide valuable insights into Australian innovation management and the challenges that lie ahead Measured Success is an important commentary on the state of innovation in Australia and offers fresh direction for policy in this area Australian National Bibliography ,1996 Historical Records of Australian Science
