Casework In Context A Basis For Practice:

Casework in Context D. E. F. Tilbury,1977-01-01 *Casework in Context* D. E. F. Tilbury,1977 **Social Work** David Streatfield,1982 **Social Case Work** Mary A. Vance,1983 *The SAGE Handbook of Social Work Research* Ian Shaw,Katharine Briar-Lawson,Joan Orme,Roy Ruckdeschel,2009-11-27 This is an ambitious book It aims at nothing less than a comprehensive account of the state of the art of social work research internationally and an intellectually original statement that will help to define and shape social work research Those with a serious interest in social work research will agree that this is a major undertaking and one that should put social work research on the map Ian Sinclair University of York UK This terrific Handbook provides an essential map for navigating the complex currents of social work research today It resists polemical and simplistic binaries to chart a course that emphasizes diversity pluralism and sensitivity to political contexts in many featured exemplars As key chapters note inherent tensions at the heart of social work itself are mirrored in current debates about the purposes and methods of social work research Rather than patch over differences the volume invites us to understand historical roots of unresolvable tensions and live with them The international scope of the volume is unique scholars from more than a dozen different countries were involved and its broad scope counters the tendency toward parochialism of much North American literature The Handbook should be essential reading for students and academics Catherine Riessman Boston University USA The SAGE Handbook of Social Work Research provides a comprehensive internationally focused account of leading social work research offering an original and defining statement on contemporary theory and practice within the field The groundbreaking Handbook engages critically with the nature and role of social work research and evaluation in contemporary societies around the globe and asks four key questions What is the role and purpose of social work research What contexts shape the practice and purpose of social work research How can we maximise the quality of the practice of social work research How can the aims of social work in its varied domains be met through social work research Ranging over local national and international issues and exploring questions of theory and practice this is a diverse and constructively organized overview of the field It will quickly be recognized as a benchmark in the expanding field of social work research setting the agenda for future work in the arena **Personal Social Services Bibliography** Gillian Stewart,1980 **Books in Series** ,1985 Vols for 1980 issued in three parts Series Authors and Titles **Working in Statutory Contexts** Andrew Hill,2010-05-17 This is an excellent book and should be compulsory reading for social work students It is clearly written sensitively related to social work practice with some first rate examples above all it really speaks to the realities of contemporary statutory professional practice in the twenty first century Andrew Hill has written a thorough but readable text for students which they will find useful at any stage in their qualification degree David Shemmings University of Kent **Invitation to Qualitative Fieldwork** Ewan Sharp,2018-06-10 Social work profession has developed five specializations for education training and practice These five specializations cover all the fields of social work for

employment and self employment Students are seen undergoing fieldwork training in their respective specialized fields without any reference of relevant literature for all these years They are seen learning in the practical situations only with the help of oral instructions of the faculty and agency supervisors The present book would be useful to impart field work training in the specialized fields work training in the specialized fields which would assist the schools of social work to prepare the perfect trained manpower to serve the NGOs Gos and Cos organizations institutions offices and the society at large Social Work and Society Kate Parkinson,Sarah Pollock,Ian Cummins,2019-11-27 It is essential that social work students understand the lasting impact political decision making can have on service users yet little guidance exists on this subject This valuable book provides a comprehensive introduction to politics in social work unifying the themes of political ideology and social construction across several areas of social work practice including emerging areas of practice The book Introduces the dominant political ideologies in the UK Examines the impact of these ideological perspectives on different demographic groups Explores emerging areas of growing political interest such as radicalisation Employs case studies and examples from practice to aid student understanding Including helpful key points to guide reading at the beginning of each chapter as well as exercises for seminars and further reading recommendations this text will be an invaluable resource to all students in social work **Social Service Abstracts** ,1986-04 The Dynamics of Casework and Counseling Herbert H. Aptekar,1955 Subject Guide to Books in Print ,1983 **Community Practice** David A. Hardcastle,Patricia R. Powers,Stanley Wenocur,2004 Community Practice is a comprehensive resource for social workers and students eager to learn how to practice effectively in complex systems and diverse communities In this completely revised edition of the definitive text in the field the authors have thoroughly updated each chapter and added two entirely new chapters on community building and community organizing New material on topics such as negotiation and mediation community advocacy participatory rural appraisal the narrative approach to social change community involvement representative client boards and the latest in grassroots endeavors make this text as inspiring as it is practical Drawing upon the wealth of information available from local organizations the Internet newspapers and academic journals the authors introduce contemporary experiments and analyze classic modes of community practice and change The content exercises and references offer instructors the flexibility necessary to tailor their courses to undergraduate graduate and doctoral level students This new edition will continue to provide a comprehensive and integrated overview of the theory and skills fundamental to all areas of social work practice Broad in scope it offers students as well as practitioners the tools necessary to promote the welfare of individuals and communities Sessional Papers Great Britain. Parliament. House of Commons,1963 **Social Casework** ,1984 *Case Conference* ,1928 *The Foundations of Social Casework* Betty Battle,1966 **Community Work and Community Development** Antoinette Lombard,1992 Helping People Laura Epstein,1980
