**John A. Hardon**

## **Dictionary For Catholics:**

**Catholic Dictionary** John Hardon, 2013-06-25 John Hardon's comprehensive one volume work of reference defining the key terms of Catholicism updated to include the most recent developments in the Catholic Church. Clear, concise, and faithful with over 2,000 entries, Catholic Dictionary is the essential Catholic lexicon in the areas of faith, worship, morals, history, theology, and spirituality. Now revised to include the statements of Pope Benedict XVI and Pope John Paul II, new movements, and devotions, and other recent developments within Catholicism, this edition brings the legacy of Father Hardon into the contemporary era. A worthy companion to Catechism of the Catholic Church and Scott Hahn's Catholic Bible Dictionary, this book is an essential resource for the Catholic reader.

**Catholic Bible Dictionary** Scott Hahn, 2009-06-16 More than a generation has passed since the appearance of the last major Catholic Bible dictionary. It has been a fertile generation for biblical scholarship, an eventful time for biblical archaeology, and a fruitful time for the Church's interpretation of the Bible. It is time for a new resource. Scott Hahn, internationally renowned theologian and biblical scholar, has inspired millions with his insight into the Catholic faith. Now he brings us this important reference guide, written specifically for Catholics, which contains more than five thousand clear and accessible entries and covers a wide range of people, places, and topics. From Genesis to Revelation, the whole of salvation history is presented and explained in smart, easy-to-understand prose. Catholic Bible Dictionary is an invaluable source of information, insight, and guidance for Catholics and others who are interested in enriching their understanding of Sacred Scripture. Scott Hahn draws from two millennia of scholarship to create an accessible and comprehensive tool for deeper and more rewarding biblical study.

**Historical Dictionary of Catholicism** William J. Collinge, 2021-08-15 This work covers the whole history of Catholicism, including the periods of Christian history prior to the present divisions into Catholic, Orthodox, and Protestant, but within the earlier periods it focuses on the story line that leads to Catholicism in the Roman Rite and particularly to Roman Catholicism in the United States. The Historical Dictionary of Catholicism, Third Edition, contains a chronology, an introduction, and an extensive bibliography. The dictionary section has more than 500 cross-referenced entries on important persons and places, as well as themes such as baptism, contraception, labor, church architecture, the sexual abuse crisis, Catholic history, doctrine, and theology, spirituality, and worship, moral and social teaching, and church structure. This book is an excellent resource for students, researchers, and anyone wanting to know more about Catholicism.
