Anorexia Nervosa A Guide To Recovery

Lindsey Hall, Monika Ostroff

Anorexia Nervosa A Guide To Recovery:

Anorexia Nervosa Lindsey Hall,Monika Ostroff,1998-10-10 Anorexia nervosa in simple terms is self starvation However it is a complex problem with intricate roots and recovery is best accomplished with a grasp of sound information specific tasks and the support of others All of that is provided in this guidebook which includes Answers to questions most often asked Insight from recovered and recovering Monika Ostroff s story of recovery Specific things to do that have worked Information on healthy eating and weight Suggestions for how to stay committed A special section for parents loved ones

Anorexia Nervosa Janet Treasure,June Alexander,2013-06-19 The highly respected and widely known Anorexia Nervosa A Survival Guide for Sufferers and Friends was written in 1997 This long awaited new edition builds on the work of the first book providing essential new and updated research outcomes on anorexia nervosa It offers a unique insight and guidance into the recovery process for those who suffer from an eating disorder as well as advice and information for their loved ones Written collaboratively by both an expert in the field and someone with personal experience of eating disorders this book offers exceptional understanding of the issues surrounding the illness Divided into four sections it includes an outline of anorexia nervosa coping strategies for sufferers advice and information for families carers and friends guidelines for professionals who are involved in the sufferer s life Families friends carers and professionals such as teachers and GPs are encouraged to read all sections in order to fully understand the illness With an emphasis on collaboration and a layout that enables content to be referenced and read in any order this book is an essential resource for anyone affected directly or indirectly by anorexia nervosa

[Anorexia Nervosa](#) Janet Treasure,2013-01-11 When anorexia nervosa strikes an individual and her family everyone is thrown into confusion by the mixture of emotions that emerge One of the strongest is fear The fear arises partially because so much is unknown What has caused this to happen What will happen now What can we do about it This book is an attempt to answer some of these questions Unusually for a book on anorexia nervosa this book includes sections for parents and other carers alongside a section for the sufferer herself So often books have been written which only give one perspective In her work with patients and families Janet Treasure has tried to ensure that family and professionals collaborate and co operate in order to overcome the power of the illness Many families have used and commented on various versions of this book and have helped to form its content Experiences and problems have been shared and solutions generated Anorexia nervosa is a difficult illness to experience and write about because it spans such an extreme range of severity and it can also develop in childhood and adulthood Nevertheless there is much common ground throughout the range Readers are therefore encouraged to use this book as a tool box rather than a new engine and to ask the questions Is this part relevant for me Can I use it Shall I try it rather than trying to fit it all into place and expecting it to run smoothly

The Beginner's Guide to Eating Disorders Recovery Nancy Kolodny,2011-05-16 This book can help you recognize the causes and symptoms show you how to find the support you need and give you specific strategies for change
