Finding Freedom and Grace in a Broken World Thomas M. Stallter, 2024-02-09 We have been brought up to see things in a particular way to interpret our experience and respond to events people and even to God in cultural and personal ways This has given us a frame of reference that undergirds all else we know trust and love in life as well as all we question distrust and hate But this foundation is not without its cracks We live in a broken world and it has influenced us more than we know Various Christians give us advice but we often find ourselves stuck in the emotional pain of past experiences We may not realize how much it controls our thinking and we wonder why we are unable to experience the freedom and peace Jesus talks about But things are not always what they seem we need to see them as they are not as other influences have shaped them It is time we let God speak for himself on the matter This book turns our minds to trust and freedom in our walk with God It leads us to know God's grace providence and purposes in a way that changes our lives and experiences in this broken world from this day on
