Another Side of the Coin Gregg N. Huestis, 2011-09-18 *Another Side of the Coin* is worlds apart from most other books that address the controversy surrounding the Faith Movement in that it answers the critics of Faith teaching by using quotations from those who have been accused of espousing heretical doctrine. It is primarily a suitable answer to accusations made by Hank Hanegraaff in his 1993 book *Christianity in Crisis*. *Another Side of the Coin* plainly and openly illustrates the teaching of the Word of Faith concerning faith, the Deity of Jesus, the cross, sickness, and the believer's prosperity and God's will concerning it, plus much more.

On the Other Side of Tomorrow Lynn Shepherd Titmas, 2003-01-20 *ON THE OTHER SIDE OF TOMORROW* When we take the time to meditate and reflect on our journey, we find the joy of living in the present moment and learn to celebrate. If we live long enough, we all pass the half-century mark, and for many, it can be a significant blow. Others may arrive at a similar critical intersection at an earlier age or even later. *ON THE OTHER SIDE OF TOMORROW* is a series of reflections tracing the author's own struggle to achieve balance, harmony, and wholeness amid the nagging sense of loss that she experienced at mid-life. This spiritual journey through those challenging years relates the author's progress from fear to peace, from uncertainty to trust. Written in poetic style, it is filled with hope and inspiration, convincing you that it is possible to live a life of abundant joy at any age. No matter how old you are, if you are earnestly seeking to enrich your life, this book will open your eyes, expand your horizons, and give you reason to celebrate.
