The 4 A's of Marketing Jagdish Sheth,Rajendra Sisodia,2012-04-23 The authors present a powerful and tested approach that helps managers see a business s every action through the eyes of its customers This approach is organized around the values that matter most to customers Acceptability Affordability Accessibility and Awareness Taken together these attributes are called the 4A s The 4A framework derives from a customer value perspective based on the four distinct roles that customers play in the market seekers selectors payers and users For a marketing campaign to succeed it must achieve high marks on all four A s using a blend of marketing and non marketing resources The 4A framework helps companies create value for customers by identifying exactly what they want and need as well as by uncovering new wants and needs For example none of us knew we needed an iPad until Apple created it That means not only ensuring that customers are aware of the product but also ensuring that the product is affordable accessible and acceptable to them

Throughout this book the authors demonstrate how looking at the world through the 4A lens helps companies avoid marketing myopia an excessive focus on the product as well as managerial myopia an excessive focus on process In fact it is a powerful way to operationalize the marketing concept it enables managers to look at the world through the customer s eyes This ability has become an absolute necessity for success in today s hyper competitive marketplace

and success isn't possible for the new creator on the block. That's just not true and the data and examples prove it. It's still possible to take your channel from 0 to 100,000 subscribers in a year. Is it hard? Oh yes, but there are people who do it to this day. While that's more of an exception than the rule, seeing some YouTubers achieve these results shows the platform is still filled with opportunity for new and seasoned creators alike. I understand how frustrating it can be to grow a YouTube channel. Before I became consistent on YouTube, I was on and off with the platform. If you don't know how to leverage the platform, growth will be slow and the money won't be there. We will help you grow your channel and start making money from your YouTube videos. It's possible for any creator to make a big splash on YouTube. The question boils down to how much work you want to put in to make it happen. This book covers the following topics: Why you should be marketing on YouTube, Creating and optimizing your channel, Understand your audience, How to produce a great YouTube video, The tools you need, How to write a great title and description, How to upload and edit a video to YouTube, YouTube SEO, How to create videos that convert, YouTube monetization, How to promote your YouTube channel, YouTube advertising, Using social media to promote your channel, Analyze and adapt, And much more. Whether you're a small business owner or a personal blogger, YouTube can be an amazing advertising platform for you or your business. It can also be a means of earning passive online income if you're generating enough traffic. It's estimated that for every 1,000 viewers to your channel, you will get paid approximately \$2. That may not seem like much, but start adding that up with 1 million views, and you're getting into the thousands of dollars. Do that week after week, and you've got a full-time income. There are plenty of people that have made a successful living just on YouTube alone, and that is still possible today. With YouTube, everyone starts with the same tools, and everyone is given the same opportunity to connect with billions of people from around the world. We will teach you everything you need to know to start a YouTube channel. You will learn the secrets of the trade when it comes to growing your subscribers and viewership. You will learn about the different revenue streams you can utilize when using YouTube as a marketing and advertising tool. This book covers not only the basics but also advanced YouTube tips and tricks that can elevate your video marketing game. Let's get started.
