*Cultivating Gardens of God* Ananta Kumar Giri,2024-11-12 In self society religion and politics we are used to the language and discourse of Kingdom of God But in this God is presented as

an omnipotent king who is also angry at slight deviation We get glimpses of such powerful and angry God in Old Testament as well as in many other religious traditions of the world In such a discourse and portrayal of God we fail to realize that God is mercy rahim karuna and compassion God is our ever awakened nurturer and He and She is continuously walking and meditating with us with mercy as well as firm challenges for self development mutual realizations and responsible cosmic engagement and participation The vision and discourse of Kingdom of God has many a time been confined within a logic of power where we are prone to valorize God s power in order to valorize our own power on Earth especially the logic of sovereignty at the level of self and society rather than realize God s mercy This book strives to transform this to Gardens of God The Christian Advocate ,1924 **Gandhi as Disciple and Mentor** Thomas Weber,2004-12-02 Thomas Weber s book comprises a series of biographical reflections about people who influenced Gandhi and those who were in turn influenced by him Whilst previous literature tended to focus on Gandhi s political legacy Weber s book explores the spiritual social and philosophical resonances of these relationships and it is with these aspects of the Mahatma s life in mind that the author selects his central protagonists These include friends such as Henry Polak and Hermann Kallenbach who are not as well known as those usually cited but who left a deep impression nevertheless and motivated some of Gandhi s major life changes Conversely the work of luminaries such as E F Schumacher and Gene Sharp reveal the Mahatma s influence in arenas which are not traditionally associated with his thinking Weber s book offers intriguing insights into the life and thought of one of the most significant figures of the twentieth century **The Modern Review** Ramananda Chatterjee,1922 Includes section Reviews and notices of books **Young India** ,1922 *Gandhi and His Ashrams* Mark Thomson,1993 Study on the views of Mahatma Gandhi 1869 1948 Indian statesman on rural development propaged in his ashramas **The Nation** ,1930 Unity ,1930 *Rediscovering Gandhi* Yogesh Chadha,1997 Aiming to avoid the hagiographical approach of previous biographies of Gandhi this work incorporates an exploration of his weaknesses and the controversial features of his public and personal life It also presents a detailed account of the planning of his assassination its execution and the trial that followed it With the help of Gandhi s own writings and many government papers which have become accessible in recent years the book takes readers through the events which became turning points in Gandhi s intellectual political and spiritual development *The Indian Review* G.A. Natesan,1928 *The Collected Works of Mahatma Gandhi* Mahatma Gandhi,2000 **Mysticism and the Institutional Crisis** Christian Duquoc,Gustavo Gutiérrez,1994 *The Universe, God and God-realization* Swami Satprakashananda,1977
