Blues In The Wind:

Blues in the Wind Whitney J. LeBlanc, 2001 In 1930s Louisiana Martha and Phillip Fergerson's family and marriage have come undone a fact Martha blames on the blues music they play in the local juke joints [Blues in the Wind-Revisited](#) Whitney J. LeBlanc, 2012-07 Whitney J. LeBlanc has written the saga of a Creole family from Estilette Louisiana against the backdrop of the birth of the blues In the 1930s Phillip Fergerson's marriage to Martha the beautiful Creole woman of his dreams turns into nightmares Instead of becoming the doctor he promised to be he becomes a high school teacher and events of murder lynching voodoo and sexual abuse by a priest set in motion the disintegration of the family Marthas brother Lightfoot performs blues music in the juke joints as he witnesses the beginning of the blues as an art form We follow the early blues legends from Robert Johnson to Bessie Smith to Leadbelly to Lightinn Hopkins and BB King as they sing their way through the Delta Martha a proud and devoted Catholic looks on in horror as one by one of her family falls under the influence of the devils gut bucket music With his marriage falling apart Phillip finds himself in the arms of a woman from his past Each of the four children go their separate ways and Martha blames it all of the influence of the sinful music She takes her revenge It is a story filled with love lust murder voodoo and adventure One reviewer writes I couldnt put it down until I read the whole thing Only when I got to the last page I was looking for more Whitney LeBlanc makes his literary debut with an impressive multidimensional highly entertaining family drama written in the glory of the blues I threw open my arms and embraced *Blues in the Wind* like a beloved long lost relative Finally a family drama with some bite has arrived *Blues in the Wind* is one of the best books I have read A triumph Martha Fergerson is the most complex and interesting character in the novel She reminded me of other great southern female central characters created by William Faulkner Tennessee Williams and Flannery OConner ThumperAALBC com Moving vivid and realistic *Blues in the Wind* is rich in narrative and descriptive detail of the Louisiana Creole Negro culture during the era of the Great Depression to the early years of the Civil Rights Movement when blues music was simultaneously evolving in the juke joints and red light districts of the black neighborhoods The blues theme serves as a counterpoint to the story of the progressive disintegration of the Fergerson family as it is overwhelmed by internal and external conflicts of color caste race and religion Thomas D Pawley III PhD Professor Emeritus department of Theatre Drama Lincoln University Jefferson City MO Like the blues the wind that blows in LeBlanc's novel becomes a tornado that rips the roots of one Creole family and the segregated society of the 1930s 1950s in which it lives LeBlanc draws heavily on his theatrical background to create characters that realistically become both initiators and receivers of the contradictions suspense discoveries crises and spectacle in which the novel abounds This is indeed a tragic story full of hypocrisy deceit and pain The writing not only drags the reader into the excitement of each moment but gives insight into the struggles of the past and presages the horrors that are still to come Aficionados of the blues proclaim that implicit in the term blues is the whole tragedy of the black race In the hands of Whitney LeBlanc *Blues in the Wind* his novel
