**Blues Off the Record** Paul Oliver, 1984      **A Blues Bibliography** Robert Ford, 2008-03-31 A Blues Bibliography Second Edition is a revised and enlarged version of the definitive blues bibliography first published in 1999 Material previously omitted from the first edition has now been included and the bibliography has been expanded to include works published since then In addition to biographical references this work includes entries on the history and background of the blues instruments record labels reference sources regional variations and lyric transcriptions and musical analysis The Blues Bibliography is an invaluable guide to the enthusiastic market among libraries specializing in music and African American culture and among individual blues scholars      *Louis Armstrong, Master of Modernism* Thomas David Brothers, 2014-02-03 Nearly 100 years after bursting onto Chicago's music scene under the tutelage of Joe King Oliver Louis Armstrong is recognized as one of the most influential artists of the twentieth century A trumpet virtuoso seductive crooner and consummate entertainer Armstrong laid the foundation for the future of jazz with his stylistic innovations but his story would be incomplete without examining how he struggled in a society seething with brutally racist ideologies laws and practices This title blends cultural history musical scholarship and personal accounts from Armstrong's contemporaries to reveal his enduring contributions to jazz and popular music at a time when he and his bandmates couldn't count on food or even a friendly face on their travels across the country      **Blue Smoke** Roger House, 2010-10 A contemporary of blues greats Blind Blake Tampa Red and Papa Charlie Jackson Chicago blues artist William Big Bill Broonzy influenced an array of postwar musicians including Muddy Waters Memphis Slim and J B Lenoir In Blue Smoke Roger House tells the extraordinary story of Big Bill a working class bluesman whose circumstances offer a window into the dramatic social transformations faced by African Americans during the first half of the twentieth century One in a family of twenty one children and reared by sharecropper parents in Mississippi Broonzy seemed destined to stay on the land He moved to Arkansas to work as a sharecropper preacher and fiddle player but the army drafted him during World War I After his service abroad Broonzy like thousands of other black soldiers returned to the racism and bleak economic prospects of the Jim Crow South and chose to move North to seek new opportunities After learning to play the guitar he performed at neighborhood parties in Chicago and in 1927 attracted the attention of Paramount Records which released his first single House Rent Stomp backed by Big Bill's Blues Over the following decades Broonzy toured the United States and Europe He released dozens of records but was never quite successful enough to give up working as a manual laborer Many of his songs reflect this experience as a blue collar worker articulating the struggles determination and optimism of the urban black working class Before his death in 1958 Broonzy finally achieved crossover success as a key player in the folk revival movement led by Pete Seeger and Alan Lomax and as a blues ambassador to British musicians such as Lonnie Donegan and Eric Clapton Weaving Broonzy's recordings writings and interviews into a compelling narrative of his life Blue Smoke offers a comprehensive portrait of an artist
