Physicianship and the Rebirth of Medical Education J. Donald Boudreau, Eric Cassell, Abraham Fuks, 2018-02-26 This book reimagines the education of medical students in its entire scope from first year to graduation The educational blueprint presented here rests on a new definition of sickness one focused on impairments of

function as the primary issue of concern for both patients and their care givers This perspective avoids the common shift of medical attention from persons to diseases and thus provides the basis for an authentic and robust patient centered mindset
