[Riding Lessons](#) Bo Derek,2002-02-05 Bo Derek vaulted into the national spotlight in 1979 as the perfect fantasy woman in 10 Blake Edwards's sophisticated film comedy Her otherworldly beauty and voluptuous figure captivated men everywhere while her cornrow hairstyle launched a fashion trend among women Bo has always remained intensely private about her personal life especially with regards to her May-December marriage to director John Derek creating an intriguing sense of mystery that has led to much speculation Here for the first time she reveals the truth about the woman behind the glossy image Born Mary Cathleen Collins and known as Cathy she grew up in southern California the horse-crazy oldest daughter of four Her father a public relations executive for the boat manufacturer Hobie Cat and her mother a hairstylist and makeup artist for a number of Hollywood figures separated permanently while Bo was in her teens During this time her mother was working for Ann Margret and it was backstage at one of the entertainer's Las Vegas shows that a theatrical agent approached Bo about pursuing a movie career At one of her very first auditions the sixteen-year-old Bo met John Derek a man thirty years her senior with whom she would spend the next twenty-five years of her life Theirs was a love affair of epic proportions but it was one that was widely misunderstood by the press and public alike John was dubbed a Svengali and his influence over the young Bo was thought to be limitless With great candor and an endearing humor Bo comes clean on a relationship that has long intrigued provided fodder for American gossip mills and the result is an account that is far from what we may have imagined Bo lays bare the intimate moments and madcap adventures that she and John shared revealing in the process that she has never even for a moment relinquished control of her own destiny Given her unusual story her only in Hollywood childhood her friendships with Ursula Andress and Linda Evans both of John's ex-wives her time spent living in a trailer home her rumored relationship with Ted Turner and her exhaustive work for the Republican Party it often seems as if Bo has lived nine lives rather than just one Whether spurning Life magazine or passing on the opportunity to work with legendary filmmaker Dino De Laurentiis Bo has gone with her gut regardless of the consequences And that's only fitting for the woman

who has chosen to live life with no safety nets and no regrets But as Bo makes clear in *Riding Lessons* it is her passion for John and her love of all things equine that have been the constants in her life Sharing her hard won lessons on life and love she draws on her intuitive understanding of horses to offer surprising insights into the dynamics of intimate relationships In this compelling memoir Bo Derek writes openly of her growing self awareness and of the coping strategies she has learned whether faced with sudden stardom the crazy and competitive world of moviemaking or the death of her beloved husband With *Riding Lessons* she transcends her legendary physical beauty to reveal an inner wisdom certain to enlighten and enthrall readers of all ages *New York Magazine*, 1981-05-18 *New York Magazine* was born in 1968 after a run as an insert of the *New York Herald Tribune* and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea *Ebony*, 1980-04 EBONY is the flagship magazine of Johnson Publishing Founded in 1945 by John H Johnson it still maintains the highest global circulation of any African American focused magazine
