To Seek a Newer World Robert F. Kennedy,1967 Published just before his assassination this compilation summarizes the ideas Kennedy put forth in his public life and as part of his presidential campaign RFK Robert F. Kennedy,2018-05-01 An inspiring collection of Robert Francis Kennedy s most famous speeches accompanied by commentary from notable historians and public figures Twenty five years after Bobby Kennedy was assassinated RFK His Words for Our Times a celebration of Kennedy s life and legacy was published to enormous acclaim Now this classic volume has been thoroughly edited and updated Through his own words we get a direct and intimate perspective on Kennedy s views on civil rights social justice the war in Vietnam foreign policy the desirability of peace the need to eliminate poverty and the role of hope in American politics Here too is evidence of the impact of those he knew and worked with including his brother John F Kennedy Lyndon Johnson Martin Luther King Jr and Cesar Chavez among others The tightly curated collection also includes commentary about RFK s legacy from major historians and public figures among them Barack Obama Bill Clinton Eric Garcetti William Manchester Elie Wiesel and Desmond Tutu Assembled with the full cooperation of the Kennedy family RFK His Words for Our Times is a potent reminder of Robert Kennedy s ability to imagine a greater America a faith and vision we could use today Themes include civil rights mistrust of large government citizen participation in local government eliminating poverty and ending the Vietnam War The speeches demonstrate Kennedy s skill at connecting with large enthusiastic audiences with promises of hope and equality Library Journal A blueprint for the future Vital Speeches Delta Epiphany Ellen B. Meacham,2018-04-02 In April 1967 a year before his run for president Senator Robert F Kennedy knelt in a crumbling shack in Mississippi trying to coax a response from a listless child The toddler sat picking at dried rice and beans spilled over the dirt floor as Kennedy former US attorney general and brother to a president touched the boy s distended stomach and stroked his face and hair After several minutes with little response the senator walked out the back door wiping away tears In Delta Epiphany Robert F Kennedy in Mississippi Ellen B Meacham tells the story of Kennedy s visit to the Delta while also examining the forces of history economics and politics that shaped the lives of the children he met in Mississippi in 1967 and the decades that followed The book includes thirty seven powerful photographs a dozen published here for the first time Kennedy s visit to the Mississippi Delta as part of a Senate subcommittee investigation of poverty programs lasted only a few hours but Kennedy the people he encountered Mississippi and the nation felt the impact of that journey for much longer His visit and its aftermath crystallized many of the domestic issues that later moved Kennedy toward his candidacy for the presidency Upon his return to Washington Kennedy immediately began seeking ways to help the children he met on his visit however his efforts were frustrated by institutional obstacles and blocked by powerful men who were indifferent and at times hostile to the plight of poor black children Sadly we know what happened to Kennedy but this book also introduces us to three of the

children he met on his visit including the baby on the floor and finishes their stories Kennedy talked about what he had seen in Mississippi for the remaining fourteen months of his life His vision for America was shaped by the plight of the hungry children he encountered there *Bobby Kennedy* Chris Matthews,2017-10-31 Bobby Kennedy was a personal hero to a multitude of Americans As the train carrying his body headed to Washington whites and blacks alike stood along the tracks saluting him They loved him as a fellow patriot who believed a great country could also be a good one Chris Matthews the host of MSNBC's Hardball has discovered what made him who he was Drawing on extensive research and intimate interviews Matthews shines a light on all the important moments of Bobby's life his upbringing his start in politics his crucial role fighting for civil rights as attorney general and his tragic run for president Dust jacket flap *The Bobby Kennedy Knows* William Nicholas,1967 *Lessons from Bobby* Chris Matthews,2025-11-11 From the host of Hardball with Chris Matthews now on Substack and acclaimed Kennedy biographer comes a centennial tribute about why Robert F Kennedy's revolutionary vision offers the roadmap America needs today 100 years after his birth Bobby Kennedy matters more than ever That is because he led us in pursuit of America's ideals He took risks for peace and united a fractured country He showed moral courage and political bravery In today's bitterly divided nation his message has the power to help us reimagine a better future On the historic occasion of Bobby Kennedy's centennial Chris Matthews one of America's foremost political commentators and Kennedy biographers gives us ten electrifying lessons for today drawn from Bobby's life Take them as a guide America is great when it tries at its best to be good This special anniversary book also includes a selection of Bobby Kennedy's greatest speeches which when read today offer a renewed and inspiring vision for America **Robert Kennedy** Evan Thomas,2002-09-10 Robert Kennedy has been viewed as hero and villain Thomas's achievement is to portray RFK as a human being an extraordinarily complex man who was at once kind and cruel devious and honest fearful and brave *Sons & Brothers* Richard D. Mahoney,1999 This intriguing book brings a fresh perspective to bear on the intimate charged partnership of John and Robert Kennedy The author Richard D Mahoney whose father was a friend of Bobby's and an appointee of Jack's has both the academic and political experience necessary to evaluate evidence of the Kennedys' relations with the Mafia anti Castro rebels and other groups lurking in the shadows of American life He also has a sharp eye for the brothers differing yet complementary personalities Jack was intellectual and cheerfully cynical with a zest for pleasure increased by a life threatening illness concealed from the public He looked to passionate partisan Bobby for bulldog like political support and used his brother as a moral compass when planning his administration's actions on civil rights the corruption of organized labor and the containment of Communism Their powerful father Joseph whose deep pockets basically bought Jack the presidency and at the same time compromised it because of Joseph's links to organized crime looms over the brothers as the author of a Faustian bargain that may well have played a role in JFK's assassination Mahoney's vivid compulsively readable text offers suggestive questions rather than definitive answers but it certainly succeeds as a bracing

corrective to America's inability to see its history as tragedy a failure Jack and Bobby emphatically did not share Wendy Smith *Robert Kennedy and His Times* Arthur Meier Schlesinger (Jr.), 1978 A biography of the Senator who was assassinated in 1968 stressing the public and personal forces and events that shaped his life **Up Close** Marc Aronson, 2007 Learn about Robert F Kennedy's childhood and beyond **Brothers** David Talbot, 2007-05-08 The New York Times bestselling groundbreaking account of one of the most tumultuous periods in our history the Kennedy Administration and its dramatic aftermath by acclaimed journalist David Talbot Though countless books have been written about the Kennedy men and their brief tumultuous time in the White House few have offered as many explosive revelations as this one David Talbot describes a JFK administration more besieged by domestic enemies than has been previously realized from within the Pentagon the CIA the FBI and the mob It is against this dark backdrop that he charts the emotionally charged journey of Robert Kennedy whose soul scouring quest to find the origins of his brother's murder led him to his horror back to the dark corners of American power that had been part of his portfolio U S intelligence Cuba and organized crime From the Kennedy band of brothers to RFK's hope of using executive power to solve Jack's death once and for all this probing work of history draws on more than 150 exclusive interviews to produce a bold look at power and vengeance A topic of perennial interest *Brothers* is a multilayered complex tale of gut wrenching history Robert Kennedy James Hilty, 2000-04 For most of his life Robert Kennedy stood in the shadow cast by his older brother John only after President Kennedy's assassination did the public gain a complete sense of Robert Bobby we called him as a committed advocate for social justice and a savvy politician in his own right In this comprehensive biography James W Hilty offers a detailed and nuanced account of how Robert was transformed from a seemingly unpromising youngster unlikely to match the accomplishments of his older brothers to the forceful man who ran the family business orchestrating the Kennedy quest for political power The Real Making of the President W. J. Rorabaugh, 2009 When John Kennedy won the presidency in 1960 he also won the right to put his own spin on the victory Rorabaugh cuts through the mythology of this election to explain the operations of the campaign and offer a corrective to Theodore White's flawed classic *The Making of the President* **Make Gentle the Life of this World** Robert F. Kennedy, 1998 Maxwell Taylor Kennedy read through his father Robert F Kennedy's speeches letters personal journal or daybook and books about RFK in which his father was quoted to assemble this collection of RFK's ideas **The Passage of Power** Robert A. Caro, 2012-05-01 WINNER OF THE NATIONAL BOOK CRITICS CIRCLE AWARD THE LOS ANGELES TIMES BOOK PRIZE THE MARK LYNTON HISTORY PRIZE THE AMERICAN HISTORY BOOK PRIZE One of the New York Times's 100 Best Books of the 21st Century Book Four of Robert A Caro's monumental *The Years of Lyndon Johnson* displays all the narrative energy and illuminating insight that led the Times of London to acclaim it as one of the truly great political biographies of the modern age A masterpiece *The Passage of Power* follows Lyndon Johnson through both the most frustrating and the most triumphant periods of his career 1958 to 1964 It is a time that would see him trade the

extraordinary power he had created for himself as Senate Majority Leader for what became the wretched powerlessness of a Vice President in an administration that disdained and distrusted him Yet it was as well the time in which the presidency the goal he had always pursued would be thrust upon him in the moment it took an assassin's bullet to reach its mark By 1958 as Johnson began to maneuver for the presidency he was known as one of the most brilliant politicians of his time the greatest Senate Leader in our history But the 1960 nomination would go to the young senator from Massachusetts John F Kennedy Caro gives us an unparalleled account of the machinations behind both the nomination and Kennedy's decision to offer Johnson the vice presidency revealing the extent of Robert Kennedy's efforts to force Johnson off the ticket With the consummate skill of a master storyteller he exposes the savage animosity between Johnson and Kennedy's younger brother portraying one of America's great political feuds Yet Robert Kennedy's overt contempt for Johnson was only part of the burden of humiliation and isolation he bore as Vice President With a singular understanding of Johnson's heart and mind Caro describes what it was like for this mighty politician to find himself altogether powerless in a world in which power is the crucial commodity For the first time in Caro's breathtakingly vivid narrative we see the Kennedy assassination through Lyndon Johnson's eyes We watch Johnson step into the presidency inheriting a staff fiercely loyal to his slain predecessor a Congress determined to retain its power over the executive branch and a nation in shock and mourning We see how within weeks grasping the reins of the presidency with supreme mastery he propels through Congress essential legislation that at the time of Kennedy's death seemed hopelessly logjammed and seizes on a dormant Kennedy program to create the revolutionary War on Poverty Caro makes clear how the political genius with which Johnson had ruled the Senate now enabled him to make the presidency wholly his own This was without doubt Johnson's finest hour before his aspirations and accomplishments were overshadowed and eroded by the trap of Vietnam In its exploration of this pivotal period in Johnson's life and in the life of the nation *The Passage of Power* is not only the story of how he surmounted unprecedented obstacles in order to fulfill the highest purpose of the presidency but is as well a revelation of both the pragmatic potential in the presidency and what can be accomplished when the chief executive has the vision and determination to move beyond the pragmatic and initiate programs designed to transform a nation It is an epic story told with a depth of detail possible only through the peerless research that forms the foundation of Robert Caro's work confirming Nicholas von Hoffman's verdict that Caro has changed the art of political biography *Robert F. Kennedy, Assistant President* I. G. Edmonds, 1962

Robert F. Kennedy and the Shaping of Civil Rights, 1960-1964 Philip A. Goduti, Jr., 2012-11-08 From the 1960 John F Kennedy presidential campaign to the signing of the Civil Rights Act of 1964 Attorney General Robert F Kennedy and the Department of Justice worked tirelessly to change the climate of civil rights in the nation This book explores how the Kennedy brothers and leaders such as Martin Luther King Jr John Lewis and James Meredith among others pushed for change at a critical time Through an analysis of White House memoranda speeches telephone conversations and recorded

discussions as well as secondary sources this study explores Robert Kennedy's role in key events of the civil rights movement which include the Freedom Rides in 1961 the Ole Miss crisis in 1962 and the Birmingham campaign and March on Washington in 1963 The combined efforts of the Kennedys and these leaders helped change the atmosphere in the nation to one of acceptance and opportunity for African Americans and other minorities
