Corporate Personality In The 20th Century:

Corporate Personality in the 20th Century Ross Grantham, C.E.F. Rickett, 1998-04-01 This book places aspects of company law in a theoretical and historical perspective and considers the issues which cause its technicalities **Global Business and Management Research** Mehran Nejati, Mostafa Nejati, 2011-01-21 The Journal of Global Business and Management Research GBMR strives to comply with highest research standards and scientific research practice journals qualities Being international and inter disciplinary in scope GBMR seeks to provide a platform for debate among diverse academic and practitioner communities who address a broad area of business and management issues across the globe *Piercing the Corporate Veil in Latin American Jurisprudence* Jose Maria Lezcano, 2015-12-14 This book is a comparative law study exploring the piercing of the corporate veil in Latin America within the context of the Anglo American method The piercing of the corporate veil is a remedy applied in exceptional circumstances to prevent and punish an inappropriate use of the corporate personality The application of this remedy and the issues it involves has been widely researched in Anglo American jurisdictions and until recently little attention has been given to this subject in Latin America This region has been through internal political conflicts that undermined economic development However rise of democratic governments has created the political stability necessary for investment and economic development meaning that the corporate personality is now more commonly used in Latin America Consequently corporate personality issues have become a subject of study in this region Drawing on case studies from Mexico Colombia Brazil and Argentina *Piercing the Corporate Veil in Latin American Jurisprudence* examines the ingenuity of Latin American jurisdictions to deal with corporate personality issues and compares this method with the Anglo American framework Focusing in particular on the influence of two key factors legal tradition and the uniqueness of each legal system the author highlights both similarities and differences in the way in which the piercing of the corporate veil is applied in Latin American and Anglo American jurisdictions This book will be of great interest to scholars of company and comparative law and business studies in general **Progressive Corporate Governance for the 21st Century** Lorraine Talbot, 2013-06-03 *Progressive Corporate Governance for the 21st Century* is a wide ranging and ambitious study of why corporate governance is the shape that it is and how it can be better The book sets out the emergence of shareholder primacy orientated corporate governance using a study of historical developments in the United Kingdom and the United States Talbot sees shareholder primacy as a political choice made by governments not a natural feature of the inevitable market She describes the periods of progressive corporate governance which governments promoted in the middle of the 20th century using a close examination of the theories of the company which then prevailed She critically examines the rise of neoliberal theories on the company and corporate governance and argues that they have had a negative and regressive impact on social and economic development In examining contemporary corporate governance she shows how regulatory styles as informed and described by prevailing regulatory theories enables neoliberal outcomes She illustrates

how United Kingdom derived corporate governance codes have informed the corporate governance initiatives of European and global institutions From this she argues that neoliberalism has re entered ex command transition economies through those United Kingdom and OECD inspired corporate governance Codes over a decade after the earlier failed and destructive neoliberal prescriptions for transition had been rejected Throughout Talbot argues that shareholder primacy has socially regressive outcomes and firmly takes a stand against current initiatives to enhance shareholder voting in such issues as director remuneration The book concludes with a series of proposals to recalibrate the power between those involved in company activity shareholders directors and employees so that the public company can begin to work for the public and not shareholders

Corporate Personality Frederick Hallis,1930 **From Dickens to Dracula** Gail Turley Houston,2005-06-30 Ranging from the realism of Dickens to the horror of Dracula Gail Turley Houston examines how the language and imagery of economics commerce and banking are transformed in Gothic fiction and traces literary and uncanny elements in economic writings of the period Houston pays particular attention to the term panic as it moved between its double uses as a banking term and a defining emotion in sensational fiction **The Journal of Corporate Law Studies** ,2003 **Corporate & Business Law Journal** ,1999 The Company, Financial, and Insolvency Law Review ,1999

Cases on the General Principles of the Law of Private Corporations Horace La Fayette Wilgus,1902 **International Corporate Law** Fiona Macmillan (LLB.),2000 *Australian Journal of Corporate Law* ,1998 *The Sewanee Review* ,1922

Corporate Governance S. H. Goo,Anne Carver,2003 **DePaul Business & Commercial Law Journal** ,2004 *The New Zealand Law Journal* ,2003 Company Law B. G. Pettet,2001 This book on company law combines theoretical and jurisprudential issues with an up to date account of legal developments across the field of company law The author demonstrates that the needs of shareholders in companies which have dispersed ownership of shares cannot be properly understood without an analysis of the law relating to securities regulation and capital markets Company Law is essential reading for LLB courses in universities and also covers the requirements of the University of London External LLB The book offers excellent foundation reading for postgraduate LLMs in company and capital markets law and is an excellent critical survey of dynamic field of law for students qualifying professionally in the fields of accounting finance and company secretaryship

BOOK JACKET **University of British Columbia Law Review** University of British Columbia,2000

Case and Comment ,1918 **Speeches, Debates, Resolutions, List of the Delegates, Committees, Etc** Franklin Harvey Head,1899
