Defending Intellectual Freedom:

   Defending Intellectual Freedom Eli M. Oboler,1980-12-09   Beyond Banned Books Kristin Pekoll,2019-05-01 This resource from Pekoll Assistant Director of the American Library Association s Office for Intellectual Freedom OIF uses specific case studies to offer practical guidance on safeguarding intellectual freedom related to library displays programming and other librarian created content   *Protecting Intellectual Freedom in Your School Library* Pat R. Scales,Office for Intellectual Freedom,2009-03-02 Contains scenarios that offer school librarians an overview of the intellectual freedom issues they may face and includes advice on how to handle them and interact with library patrons covering materials selection management programs access labeling privacy and the Internet   *Protecting Intellectual Freedom and Privacy in Your School Library* Helen R. Adams,2013-04-08 Written by a well known intellectual freedom advocate this book is a one stop source for school librarians on intellectual freedom and privacy issues that blends principles with best practices In order to sort out fact from fiction and become effective critically thinking adults in a global society children need access to diverse points of view from authoritative sources in their school libraries This book provides school librarians with easy to read guidance on specific aspects of intellectual freedom and privacy explaining how the core values of the library profession translate into everyday practice The readings supply current information and targeted practical advice on a broad range of topics including privacy and confidentiality in the context of a school library working with homeless students English language learners and other special needs students challenges to school library materials filtering issues and advocacy for intellectual freedom Each of the nine chapters begins with an introductory essay examining the topic and concludes with a key ideas summary a list of annotated resources to lead the reader to more information on the individual column topics and discussion questions The volume s appendices include the text of the ALA Library Bill of Rights and the Code of Ethics as well as an annotated list of pro First Amendment and privacy protecting organizations with contact information   **Protecting Intellectual Freedom in Your Public Library** June Pinnell-Stephens,Office for Intellectual Freedom,2012-04-03 A concise summary of what s at stake and how to react Protecting Intellectual Freedom in Your Public Library will prepare public library personnel to face the issues at hand   **Intellectual Freedom Manual** ALA Office for Intellectual Freedom,2021-01-04 The newest edition of the Intellectual Freedom Manual is more than simply an update of a foundational text that has served as a crucial resource for more than four decades It is a living document that serves as the authoritative reference for day to day guidance on maintaining free and equal access to information for all people Whether you re developing or revising policies on boarding new staff or trustees responding to challenges and controversies or studying librarianship you ll find this an indispensable resource with features such as ALA policy statements approved by committees and Council articulating core intellectual freedom principles and best practices 8 new interpretations of the Library Bill of Rights which address urgent issues like internet filtering public performances political activity religion and equity diversity

and inclusion Issues at a Glance sidebars which present key concepts points of law tips and questions for reflection expanded content about developing library policies that support intellectual freedom updated information on censorship of library programs displays and databases Advocacy and Assistance a section offering concrete guidance when you re called on to talk to the media or meet with legislators Deeper Look essays which examine the laws related to library operations advice on when to call the police when not to and how to handle personally identifiable information when they arrive and an expanded glossary Using a topical arrangement with easy to read summaries to help readers find information quickly this manual offers valuable support to library workers as they continue the important work of safeguarding intellectual freedom **Defending Intellectual Freedom** ,2018 Stemming from an Affiliate Assembly concern the 2018 ALA Emerging Leaders team was charged with creating a guide for AASL to support school librarians in addressing challenges related to censorship and patron privacy issues particularly with LGBTQ materials Defending Intellectual Freedom LGBTQ Materials in School Libraries is more than a collection of resources This work uses the AASL Standards framework as scaffolding to help users explore LGBTQ materials and needs in their own communities **Defending Access with Confidence** Catherine Lord,2005 **Censorship and the American Library** Louise Robbins,1996-11-25 By placing its professional expertise in the service of maintaining the democratic values of free expression and pluralism American librarianship not only defended its professional autonomy in the area of book selection but also developed an ideology of intellectual freedom and claimed its defense as a central jurisdiction This volume charts the library profession s journey from the adoption of the 1939 Library s Bill of Rights to the 1969 development of the Freedom to Read Foundation It identifies external events that posed threats to intellectual freedom and traces the ALA s response to those threats particularly librarians activities and discourse and the motives and effectiveness of leaders responsible for forging the ALA s response Much of the data is drawn from the three most widely circulated library periodicals American Library Association Bulletin Wilson Library Bulletin and Library Journal that chronicle the debates that took place during the period More importantly the study makes extensive use of primary archival sources state library journals library school bulletins and interviews These sources reveal that by setting its professional expertise in the service of the democratic values of free expression and pluralism American librarianship embarked on an odyssey of self definition through which it has carved out and defended its professional jurisdiction

Foundations of Library and Information Science Richard E. Rubin,Rachel G. Rubin,2020-09-14 Richard E Rubin s book has served as the authoritative introductory text for generations of library and information science practitioners with each new edition taking in its stride the myriad societal technological political and economic changes affecting our users and institutions and transforming our discipline Rubin teams up with his daughter Rachel G Rubin a rising star in the library field in her own right for the fifth edition Spanning all types of libraries from public to academic school and special it illuminates the major facets of LIS for students as well as current professionals Continuing its tradition of excellence this text addresses
