who Governs? Chalmers Johnson, 1995 The godfather of Japanese revisionism author of MITI and the Japanese Miracle and president of the Japan Policy Research Institute explains how and why Japan has become a world power in the past 25 years Johnson lucidly explains here how the Japanese economy will thrive as it moves from a producer dominated economy to a consumer oriented headquarters for all of East Asia

In the Service of the Emperor Edward J. Drea, 2003-01-01 Japan's war in Asia and the Pacific from 1937 to 1945 continues to be a subject of great interest yet the wartime Japanese army remains little understood outside Japan Most published accounts rely on English language works written in the 1950s and 1960s The Japanese language sources have remained relatively inaccessible to Western scholars in part because of the difficulty of the language a difficulty that Edward J Drea who reads Japanese surmounts In a series of searching examinations of the structure ethos and goals of the Japanese military establishment Drea offers new material on its tactics operations doctrine and leadership Based on original military documents official histories court diaries and Emperor Hirohito's own words these twelve essays introduce Western readers to fifty years of Japanese scholarship about the war and Japan's military institutions In addition Drea uses recently declassified Allied intelligence documents related to Japan to challenge existing views and conventional wisdom about the war

China in World Politics Judith F. Kornberg, John R. Faust, 2005 This fully revised and updated text introduces students to China's foreign policy past and present and the factors that may influence the country's future policy agenda Exploring the new dynamics of China's regional and international roles the authors outline the political security economic and social issues the country faces in the emerging twenty first century An ideal thoughtfully crafted textbook each chapter of *China in World Politics* familiarizes students with the Chinese framework for analyzing the issues in question Alternate policy choices are suggested along with supporting data for each course of action Discussion and essay questions as well as suggested readings and a bibliography of internet resources are also included

Japan's Sea Lane Security Euan Graham, 2005-10-04 This book explores the vital linkage between Japan's national security and the safety of its sea lanes

History Education and International Relations Hirano Mutsumi, 2009-02-12 This is the first in depth study to examine the implications of history education in the context of international relations interstate and transnational focusing on Japanese textbooks as the principal case study The author argues that despite a widespread recognition that our grasp of history has some relevance to our views and attitudes towards foreign countries and peoples ergo ultimately its impact on national policy there appears to be little coherent discussion of such a significant topic and its practical applications in the field of International Relations This study therefore develops a conceptual framework and directs attention to the factors which predetermine the perceptions and attitudes of the public and policy makers and in doing so searches for the roots of their world view The book addresses the following issues Government Influence on the Domestic Educational Environment The Domestic Environment and its Interaction with the External Environment History Education in Practice A case of Japan The Japanese History Textbook Disputes in the Asian
