Simon Gray Unbound Peter Wolfe, 2014-01-10 The work of English playwright Simon Gray 1936-2008 has always resisted ideological and stylistic labels His artistic independence has also had an unwelcome side effect It cost him the critical attention garnered by his peers This book the first monograph on Gray examines his oeuvre from the early plays which hack away at the formalism and humanism of traditional English satire to the later ones in which he explores English professionals and their problems connecting with each other If Gray remains the least known major English dramatist of his day he is also one of the boldest and best *British Playwrights, 1956-1995* William W.
