

DELIA OF VALLIA

The world of Kregen revolving around the double suns of Antares holds many wonders. There are warrior men and warrior beasts with mighty fraternities of valor and courage. There are whispers of similar organizations among the high-born women of many lands. But men knew little of these save the name Sisters of the Rose and that somewhere there was a secret fortress retreat where martial arts were taught that men never learned.

Now Dray Prescott has at last laid bare the story of these fighting sororities. Here is a thrill-packed adventure of Delia of Vallia, leader of a mystic guild, and of her mission to bring justice to one who had betrayed her blood oath and her empress.

A novel of intrigue, combat, and vengeance that was to bring Delia face to face with the traitress Jilian in the hidden arena of the whip and the claw.
