## **Deliberate Prose Selected Essays 1952 1995:**

Deliberate Prose Allen Ginsberg, 2001-03-20 Whether criticizing the American government protesting the war in Vietnam or denouncing capitalism Ginsberg gave voice to the moral conscience of the nation His personal essays on Jean Genet Andy Warhol Philip Glass and others give us compelling portraits of his fellow artists And his views on poetry free speech Buddhism and the Beats reflect the concerns of the postwar American culture he helped shape Provocative playful eloquent and of the moment these essays offer a social history of modern America that remind us of the events and issues that preoccupied the minds of a nation and one of its most influential citizens in the postwar years

**The Cultural Politics of Slam Poetry** Susan Somers-Willett, 2010-07-23 For a lucid and thorough real world analysis of the movement from the ground up including its history aesthetics and culture there is surely no better place to start than Somers Willett's trailblazing book Jerome Sala Pleiades Finally a clear accurate and thoroughly researched examination of slam poetry a movement begun in 1984 by a mixed bag of nobody poets in Chicago At conception slam poetry espoused universal humanistic ideals and a broad spectrum of participants and especially welcome is the book's analysis of how commercial marketing forces succeeded in narrowing public perception of slam to the factionalized politics of race and identity The author's knowledge of American slam at the national level is solid and more authentic than many of the slammers who claim to be Marc Kelly Smith founder creator of the International Poetry Slam movement The cultural phenomenon known as slam poetry was born some twenty years ago in white working class Chicago barrooms Since then the raucous competitions have spread internationally launching a number of annual tournaments inspiring a generation of young poets and spawning a commercial empire in which poetry and hip hop merge *The Cultural Politics of Slam Poetry* is the first critical book to take an in depth look at slam shedding light on the relationships that slam poets build with their audiences through race and identity performance and revealing how poets come to celebrate and at times exploit the politics of difference in American culture With a special focus on African American poets Susan B A Somers Willett explores the pros and cons of identity representation in the commercial arena of spoken word poetry and in doing so situates slam within a history of verse performance from blackface minstrelsy to Def Poetry What's revealed is a race based dynamic of authenticity lying at the heart of American culture Rather than being mere reflections of culture Somers Willett argues slams are culture sites where identities and political values get publicly refigured and exchanged between poets and audiences Susan B A Somers Willett is a decade long veteran of slam and teaches creative writing and poetics as an Assistant Professor of English at Montclair State University She is the author of two books of poetry *Quiver* and *Roam* Visit the author's website at <http://www.susansw.com> Photo by Jennifer Lacy

The Operatic Archive Colleen Renihan, 2020-04-03 *The Operatic Archive* American Opera as History extends the growing interdisciplinary conversation in opera studies by drawing on new research in performance studies and the philosophy of history Moving beyond traditional aesthetic conceptions of opera this book argues for opera's

powerful potential for historical impact and engagement in late twentieth and twenty first century works by American composers Considering opera s ability to serve as a vehicle for memory historical experience affect presence and the historical sublime this volume demonstrates how opera s ability to represent and evoke historical events and historical experience differs fundamentally from the representations and recreations of other modes specifically literary and dramatic representations Building on the work of performance scholars such as Joseph Roach Rebecca Schneider and Diana Taylor and in consultation with recent debates in the philosophy of history the book will be of interest to a wide range of scholars and researchers particularly those working in the areas of opera studies and performance studies

**Text and Drugs and Rock 'n' Roll** Simon Warner,2013-03-14 Text and Drugs and Rock n Roll explores the interaction between two of the most powerful socio cultural movements in the post war years the literary forces of the Beat Generation and the musical energies of rock and its attendant culture Simon Warner examines the interweaving strands seeded by the poet novelists Jack Kerouac Allen Ginsberg William Burroughs and others in the 1940s and 1950s and cultivated by most of the major rock figures who emerged after 1960 Bob Dylan the Beatles Bowie the Clash and Kurt Cobain to name just a few This fascinating cultural history delves into a wide range of issues Was rock culture the natural heir to the activities of the Beats Were the hippies the Beats of the 1960s What attitude did the Beat writers have towards musical forms and particularly rock music How did literary works shape the consciousness of leading rock music makers and their followers Why did Beat literature retain its cultural potency with later rock musicians who rejected hippie values How did rock musicians use the material of Beat literature in their own work How did Beat figures become embroiled in the process of rock creativity These questions are addressed through a number of approaches the influence of drugs the relevance of politics the effect of religious and spiritual pursuits the rise of the counter culture the issue of sub cultures and their construction and so on The result is a highly readable history of the innumerable links between two of the most revolutionary artistic movements of the last 60 years

**Feminism, Manhood, and Homosexuality** William Patrick Jeffs,2003 Although scholarship in feminist theory men s studies gender studies gay and lesbian studies and queer theory often intersect the relationships among these disciplines remain complex and often antagonistic This book posits a linkage between these disciplines analyzing how five American writers Ralph Waldo Emerson Walt Whitman Emily Dickinson Allen Ginsberg and Adrienne Rich correlate issues of sexuality and gender by demonstrating that these concepts are linguistic economic and political constructions This discussion and an analysis of Sigmund Freud s theories provide scholars from these disparate disciplines with common ground to share and common space to pursue

**The Trials of Lenny Bruce** Ronald K. L. Collins,David M. Skover,2002 Chronicles the courtroom battles Lenny Bruce engaged in in San Francisco Los Angeles Chicago and New York where he was arrested for his provocative and controversial performances critiquing the hypocrisies of American society

**Contemporary Authors** Scot Peacock,2001

**American Postmodernity** Ian D. Copestake,2003 This book brings together nine original essays from

Pynchon scholars around the world whose work furthers the debate concerning the nature of perceived shifts in the sensibility style and subject matter of Pynchon's fiction from *The Crying of Lot 49* to *Mason Dixon*. Of particular concern is the complex relationship between Pynchon's challenging and evolving oeuvre and notions of postmodernity which this volume's focus on Pynchon's most recent fiction helps bring up to date. Five of the collection's essays examine the writer's achievement in *Mason Dixon* and were first presented in 1998 as papers at King's College London as part of International Pynchon Week. The volume includes contributions from renowned Pynchon scholars such as David Seed, David Thoreen and Francisco Collado Rodríguez and offers perspectives on Pynchon's achievement in *The Crying of Lot 49*, *Vineland* and *Mason Dixon* which view those works in relation to a fascinating variety of subjects such as hybridity, mapmaking and representation, the work of Marshall McLuhan, American comic traditions, metafiction, madness in American fiction, science and ethics. Reconfirmed throughout is the ethical seriousness of a writer who remains one of American literature's most fascinating important and ever elusive figures.

***American Ethnic Writers***, 2009. Covers numerous ethnic writers and their works. All major American ethnicities are covered: African American, Asian American, Jewish American, Hispanic/Latino and Native American.

***The Lost Years of William S. Burroughs*** Rob Johnson, 2006. The sometimes raunchy, often legally dubious New York and Mexican exploits of William S. Burroughs, one of the godfathers of the Beat generation, are well known. This book presents stories about his farm, a serious fifty-acre spread in the Valley near Edinburg described in the 1977 edition of *Junky*.

***The Pacific World***, 2004. *GRADIVA JOURNAL OF CONTEMPORARY THEORY AND PRACTICE*, 2000.

***The Sociology of the Avant-garde*** Timothy Yu (Professor of literature), Yelu Yu, 2004.

***Public Library Core Collection*** John Greenfieldt, Patrice Bartell, 2008. Wilson's Public Library Core Collection Nonfiction 13th Edition 2008 recommends reference and nonfiction books for the general adult audience. It is a guide to over 9,000 books; over 6,500 titles are new to this edition, plus review sources and other professional aids for librarians and media specialists. The Top Books of the Year Deliberate Prose Selected Essays 1952 1995 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels enthraling the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the fascinating narratives that have captivated audiences this year. The Must-Read : Colleen Hoover "It Ends with Us" This heartfelt tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Deliberate Prose Selected Essays 1952 1995 : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papan, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
