Throw It Off!! Rohit Sahu,2019-07-29 Unlock the Secrets of Vision Restoration A Journey to Spectacle Free Eyesight Have you ever wondered if there s a way to improve your eyesight naturally without relying on professionals or undergoing surgery Well I embarked on a quest for answers delving into various texts and consulting experienced opticians in my area What I discovered might surprise you While traditional wisdom suggests that correcting vision requires professional intervention and that spectacles are a lifelong necessity I stumbled upon a wealth of knowledge suggesting otherwise Countless individuals have successfully regained their eyesight through simple practices Though modern doctors may struggle to accept these facts I can confidently claim that regardless of your age a few lifestyle adjustments unwavering conviction beneficial exercises and resolute determination can help you bid farewell to those spectacles forever And that s precisely what this book aims to explore Allow me to share my story I m Rohit Sahu not an optician or optometrist by profession but someone who managed to reverse severe myopia From a prescription of 4 in both eyes I made significant progress within six months reaching 2 5 in my right eye and 2 in my left Soon I ll bid farewell to glasses altogether Through extensive research and practical experimentation I ve uncovered invaluable methods to cure vision problems In our society when our eyesight blurs we tend to rely on glasses or contact lenses But do we truly need them Are they a solution or merely an addiction Do they truly heal our eyesight or exacerbate the problem I firmly believe that these crutches these Seeing Machines are unnecessary and unnatural They fail to address the core issue as wearing glasses or lenses still leaves us with blurred vision When I experienced the hardships of severe myopia I encountered a sea of medical treatments and surgeries none of which I wished to pursue at such a young age Determined to find a different path I dedicated myself to acquiring every possible piece of knowledge that could aid in restoring my eyesight I also made a promise to share my findings with the world so others facing similar challenges could help themselves Within the pages of this book you ll find a comprehensive guide to understanding your eyes the root causes of weak eyesight common mistakes we all make effective techniques to regain optimal vision personal anecdotes from my own journey and valuable tips to restore and maintain good eyesight Additionally I address the burning question of how long it takes to achieve normal eyesight once more Reversing blurry vision is no small feat but if you possess a genuine desire for change committing to the practices outlined in this book over the next few months will yield visible results With time you ll witness the natural disappearance of your spectacles And as a bonus there s a delightful surprise awaiting you at the conclusion So don t hesitate claim your copy today and embark on a transformative journey towards spectacle free eyesight *Modern Hospital* ,1920 **History of Miso, Soybean Jiang (China), Jang (Korea) and Tauco (Indonesia) (200 BC-2009)** ,2009
