LABORATORIES KONAR, NIRA,2011-07-30 Today acquiring English language skills has become so essential especially for
those who are looking for new jobs in reputed organizations as well as for the practising professionals Many engineering
students even though they have adequate knowledge of their subject are unable to express themselves well in English Taking
this into account engineering colleges institutes have introduced exclusive English Language Laboratories where students
are drilled in the practical aspects of the English language This compact and comprehensive book is a step by step practical
guide to students telling them how to prepare technical reports and how to acquire the basic communication skills listening
speaking reading and writing The book deals with conversation situational dialogues and role plays and Group Discussions
GDs It also gives detailed discussion about Interviews step by step preparation practical and psychological preparation the
dos and don ts for interview besides dealing with different kinds of interviews telephonic videoconferencing and others In
addition the text stresses the importance of researching the organization and salary negotiations Finally the book shows the
students how to make powerpoint presentations PPTs the structure of presentation and using audio visuals This activity
based skill oriented learner centred book is designed according to the WBUT syllabus on Technical Report Writing and
Language Laboratory Practice for the B Tech students However it would be equally useful for B Tech B E students across the
country *DISTINGUISHING FEATURES* A practical and student friendly text the stress being on the functional aspects of the
language and various activities for acquiring the language Gives the Methodology of conducting activities such as GDs
Interviews and Presentation Provides model GD topics and the step by step process of making PPTs Clearly spells out all the
details right from preparing a good job application researching the company including its financial health to preparing the
job portfolio to wearing the proper dress handling questions and negotiating salary Provides an extensive list of probable
questions along with their answers to prepare students for mock interviews Also gives well crafted questions at the end of
each lesson **Biomedical Graduate School** David McKean,Ted Johnson,2010 Biomedical Graduate School A Planning
