Democratic Invention

James Franck Bright

Democratic Invention:

The Democratic Invention Marc F. Plattner, João Carlos Espada, 2000 SCOTT copy 1 From the John Holmes Library collection

The History of Democracy Considered as a Party Name and as a Political Organization Jonathan Norcross, 1883

The Origins of Democratic Thinking Cynthia Farrar, 1988 Dr Farrar argues that the development of political theory accompanied the growth of democracy at Athens in the fifth century BC By analysing the writings of Protagoras Thucydides and Democritus in the context of political developments and speculation about the universe she reveals the existence of a distinctive approach to the characterisation of democratic order and in doing so demonstrates the virtues of Thucydides historical conception of politics

The Universal History of Legal Thought Roberto Mangabeira Unger, 2021-01-29 This essay explores the contradictory coexistence between two approaches to law that have been dominant in all major legal traditions law as the normative order chosen by the legitimate and effective holders of power in the state and law as a normative order implicit in social life a series of detailed models of what relations among people can and should look like in different parts of social experience The rudimentary form of the first approach is legal thought as the interpretation of law laid down by the sovereign The simplest form of the second approach is legal thought as authoritative doctrine developed by jurists and judges in the absence of legislation or as its most important source The central problems of legal theory result from the impossibility of reconciling these two views of law The solution to those problems is not theoretical it is practical the changes in the organization of society the economy and the state that would make democratic self government a reality rather than the sham that it continues to be and transform the character of both legislation and legal doctrine Such a practical solution however requires to guide it a revolution in our thinking about the institutional and ideological regimes expressed as law that shape social life The foremost task of legal thought today and the answer to the enigmas of its universal history is to contribute to the development of that way of thinking

[The Republican Campaign Text Book for 1880 ...](#) Republican Congressional Committee, 1880 *Republican Campaign Text Book* Republican Congressional Committee, 1878

A History of England: Period 4: The growth of democracy. Victoria. 1837-1880 James Franck Bright, 1889

A History of England: Growth of democracy: Victoria. 1837-1880 James Franck Bright, 1893

History of the United States from the Compromise of 1850 to the End of the Roosevelt Administration: 1854-1860 James Ford Rhodes, 1892

[For They Know Not what They Do](#) Slavoj Žižek, 2002 With the disintegration of state socialism we are witnessing this eruption of enjoyment in the re emergence of aggressive nationalism and racism With the lid of repression lifted the desires that have emerged are from from democratic To explain this apparent paradox says Slavoj Zizek socialist critical thought must turn to psychoanalysis For They Know Not What They Do seeks to understand the status of enjoyment within ideological discourse from Hegel through Lacan to these political and ideological deadlocks The author s own enjoyment of popular culture makes this an engaging and lucid exposition in which Hegel joins

hands with Rossellini Marx with Hitchcock Lacan with Frankenstein high theory with Hollywood melodrama **Republican Campaign Text Book**, 1882 History of the United States from the Compromise of 1850: 1854-1860 James Ford Rhodes, 1907 *History of the United States from the Compromise of 1850* James Ford Rhodes, 1892 **The Republican Campaign Text Book for 1882** Republican Congressional Committee, 1882 *The Ticklish Subject* Slavoj

Zizek, 2020-05-05 Slavoj Zizek the maverick philosopher author of over 30 books acclaimed as the Elvis of cultural theory and today's most controversial public intellectual His work traverses the fields of philosophy psychoanalysis theology history and political theory taking in film popular culture literature and jokes all to provide acute analyses of the complexities of contemporary ideology as well as a serious and sophisticated philosophy His recent films *The Pervert's Guide to the Cinema* and *Zizek* reveal a theorist at the peak of his powers and a skilled communicator Now Verso is making his classic titles each of which stand as a core of his ever expanding life's work available as new editions Each is beautifully re-packaged including new introductions from Zizek himself Simply put they are the essential texts for understanding Zizek's thought and thus cornerstones of contemporary philosophy *The Ticklish Subject* *The Absent Centre of Political Ontology* A specter is haunting Western thought the specter of the Cartesian subject In this book Slavoj Zizek unearths a subversive core to this elusive specter and finds within it the indispensable philosophical point of reference for any genuinely emancipatory project

Re-Grounding Cosmopolitanism Tamara Caraus, Elena Paris, 2015-11-19 Leading experts and rising stars in the field explore whether cosmopolitanism becomes impossible in the theoretical framework that assumed the absence of a final ground The questions that the volume addresses refer exactly to the foundational predicament that characterizes cosmopolitanism How is it possible to think cosmopolitanism after the critique of foundations Can cosmopolitanism be conceived without an ultimate ground Can we construct theories of cosmopolitanism without some certainties about the entire world or about the cosmos Should we continue to look for foundations of cosmopolitan rights norms and values Alternatively should we aim towards cosmopolitanism without foundations or towards cosmopolitanism with contingent foundations Could cosmopolitanism be the very attempt to come to terms with the failure of ultimate grounds Written accessibly and contributing to key debates on political philosophy and social and political thought this volume advances the concept of post-foundational cosmopolitanism by bridging the polarised approaches to the concept **Current History and Forum ...**, 1928 *University Record of the University of Florida* University of Florida, 1912 **Catalogue** University of the State of Florida, 1912 Catalog University of Florida, 1913
