Demonic Possession:

Demons, Possession and Exorcism Robert Pelton, 2013-01-18 Paul Harvey once stated Demonic possession of humans is not something Hollywood invented It is quite as old as the Old Testament Jesus exorcised demons Clergymen of the 1970s Catholic and Protestant can relate experiences very similar to those chronicled in the book *The Exorcist* and shown with such ghastly realism in the movie Frequently in their counseling clergymen experience supernatural manifestations which they are reticent to discuss from the pulpit Renowned Evangelist Billy Graham said Don't make any mistake about it There are demons as well as unseen angels and that unseen world exists Pope Paul VI declared We know that this dark and disturbing spirit really exists and that he still acts with treacherous cunning The idea of possessive evil supernatural beings is distasteful but there are those who know that devils are real walking among us waiting to live within us Many fundamental believers interpret the Bible simply and literally It is with scriptural assurance that they are convinced of the reality of devil spirits They confront these evil forces with calmness and determination secure in the power of the Holy Ghost within themselves to protect them and overpower the opposition In my name shall they cast out devils is the first of the five signs found in Mark 16 17 18 Christians throughout the world believe these signs were given to the true believers by Christ before his Ascension To them they are as necessary and as relevant today as they were when the risen Master offered them to his faithful few Members of such faiths approach devil possession almost casually It has been an integral part of their religion for generations Others are just now beginning to discuss the subject almost as if devil spirits must be officially recognized One becomes possessed to work Satan's end suggested Reverend M Thomas Starkes former Director of the Department of Interfaith Witness on the Southern Baptist Home Mission Board When one is a non-Christian and possessed Satan uses this to further his own kingdom to display his power I have seen a Christian a new Christian who sold his soul completely out to Satan for a period of twelve years and was then converted He was still able to retain some of the satanic powers because Satan is very slow to let go to let his control go over the life of an individual who is controlled or possessed In some areas of religion the exorcism of evil is practiced with zeal and dedication The devout believe it takes a great amount of faith to seek and develop a productive relationship with God It takes living right and constant spiritual contact to maintain the closeness that has as its reward invincible power from the Holy Ghost Never do the recipients claim this power for themselves Always it is God working with them and through them So it is when believers gather around a sinner or a stricken brother in the faith to cast out a devil that the Holy Ghost sends power enough to subjugate Satan's emissary The devil must bow to God's supremacy Countless men of God have experienced firsthand the horror of a rebellious devil clinging to the human being it has chosen for a home These ministers are not shocked or surprised at the bizarre descriptions in the currently popular exorcism stories They have seen it all They have heard male voices utter verbal filth from female mouths They have seen blood and vomit follow the expulsion of a struggling demon They know devils are here Listen to the preachers teachers

evangelists theologians and faith filled Christians who actually exorcise demonic spirits tell how they do it The methods they employ and the words they use are many and varied But their reason for doing it is singular Mark 16 spells it out clearly In My Name Shall They Cast Out Devils

Demonic Possession in the New Testament William Menzies Alexander, 1902

Demonic possession in the New Testament is still an unsolved problem That statement is at variance with a considerable body of opinion recently expressed on two continents Nevertheless it is a correct representation of the present state of the case Modern writers have attained a certain unanimity only by approaching the subject from one point of view and confining attention to the more conspicuous phenomena But any investigation which claims finality must explore the whole environment and scrutinise all residual facts There is a comparative demonology to be studied there are types of mental disease to be examined there is a criterion of genuine possession to be discovered and applied The inquiry thus broadens out and takes account of many points hitherto ignored or neglected Preface

Demon Possession & the Christian C. Fred Dickason, 1989 Shows from theology the Bible and counseling experiences that Christians can be affected by demonic activity Equips believers to fight spiritual battles and win

Confrontations with the Devil

Robert Pelton, 2013-01-18 Demonic possession of humans is not something Hollywood invented It s quite as old as the Old Testament Jesus exorcised demons Clergymen of the 1970s Catholic and Protestant can relate experiences very similar to those chronicled in the book and shown with such ghastly realism in the movie Frequently in their counseling clergymen experience supernatural manifestations which they are reticent to discuss from the pulpit Paul Harvey Do not make any mistake about it There are demons as well as unseen angels and that unseen world exists Billy Graham We know that this dark and disturbing spirit really exists and that he still acts with treacherous cunning Pope Paul VI People are now aware that it s possible to be possessed and they want to know what they can do to avoid possession by a demon Kathryn Kuhlman Bear in mind that demon possession is no field for amateurs Christians must not be naive about this Evangelist Leighton Ford I was in our big tent one night in a certain city We were having a night when it seemed like every third person was demon possessed It s like that in the ministry There ll be none and then the night comes when it seems like the whole demon world erupts I urged the crowd touch the chair in front of you as though you were touching the person Pray for the person Pray

with me Fill this room with your faith When the demons came out of one person I had prayed for all of a sudden over to my right at the edge of the tent a man let out a bloodcurdling yell and ran The demon had struck him and had entered him The police ran after him caught him and brought him back We then prayed for him and were able to help him I don't want to overdramatize what I'm saying but if I say any less I'm not telling it like it is This is but one of the many Satanic confrontations experienced in the long evangelistic ministry of Oral Roberts This man as well as a multitude of others have fearlessly met the devil head on They each claim victory after victory for their Jesus Confrontations with the Devil includes such unusual cases as the little girl in Manila who was viciously bitten by devils She cursed God Jesus Christ the Holy Spirit the blood of Jesus and missionary Lester Sumrall the exorcist in English After she was back to normal it was discovered she could not speak a word of English You'll read of the possessed woman who was mysteriously suspended in midair between the preacher and a crowd of 14 000 people during a crusade Confrontations with the Devil reveals firsthand experiences of unbelievable demon battles taking place in today's modern world Roberts Lowery Pedigo Sumrall and many others tell their stories Each believes that Satan and his demons know all who really belong to God And they feel that these evil spiritual forces fear any person who exercises the God-given power to cast them out

[The English Exorcist](#) Brendan C. Walsh,2020-07-30 In 1598 the English clergyman John Darrell was brought before the High Commission at Lambeth Palace to face charges of fraud and counterfeiting The ecclesiastical authorities alleged that he had taught 4 to counterfeite demonic possession over a ten year period fashioning himself into a miracle worker Coming to the attention of the public through his dramatic and successful role as an exorcist in the late sixteenth century Darrell became a symbol of Puritan spirituality and the subject of fierce ecclesiastical persecution The High Commission of John Darrell became a flashpoint for theological and demonological debate functioning as a catalyst for spiritual reform in the early seventeenth century English

Church John Darrell has long been maligned by scholars a historiographical perception that this book challenges The English Exorcist is the first study to provide an in depth scholarly treatment of Darrell s exorcism ministry and his demonology It shines new light on the corpus of theological treatises that emerged from the Darrell Controversy thereby illustrating the profound impact of Darrell s exorcism ministry on early modern Reformed English Protestant demonology The book establishes an intellectual biography of this figure and sketches out the full compelling story of the Darrell Controversy

A History of Madness in Sixteenth-Century Germany H. C. Erik Midelfort,1999 This magisterial work explores how Renaissance Germans understood and experienced madness It focuses on the insanity of the world in general but also on specific disorders examines the thinking on madness of theologians jurists and physicians and analyzes the vernacular ideas that propelled sufferers to seek help in pilgrimage or newly founded hospitals for the helplessly disordered In the process the author uses the history of madness as a lens to illuminate the history of the Renaissance the Reformation and Counter Reformation the history of poverty and social welfare and the history of princely courts state building and the civilizing process Rather than try to fit historical experience into modern psychiatric categories this book reconstructs the images and metaphors through which Renaissance Germans themselves understood and experienced mental illness and deviance ranging from such bizarre conditions as St Vitus s dance and demonic possession to such medical crises as melancholy and mania By examining the records of shrines and hospitals where the mad went for relief we hear the voices of the mad themselves For many religious Germans sin was a form of madness and the sinful world was thoroughly insane This book compares the thought of Martin Luther and the medical religious reformer Paracelsus who both believed that madness was a basic category of human experience For them and others the sixteenth century was an age of increasing demonic presence the demon possessed seemed to be everywhere For Renaissance physicians however the problem was finding the correct ancient Greek concepts to describe mental illness In medical terms the late sixteenth century was the age of melancholy For jurists the customary insanity defense did not clarify whether melancholy persons were responsible for their actions and they frequently solicited the advice of physicians Sixteenth century Germany was also an age of folly with fools filling a major role in German art and literature and present at every prince and princeling s court The author analyzes what Renaissance Germans meant by folly and examines the lives and social contexts of several court fools

Jesus experienced human emotions frustration anger and impatience In all His humanity He never sinned He was the sinless sacrifice for the sin of mankind On the cross He experienced pain and suffering not for His own sin but for ours Knowing Jesus as God we see His compassion love joy peace patience kindness goodness faithfulness gentleness and self control We understand God as a loving Father who desires a relationship with humanity and gave His most precious gift to restore this relationship that was broken in Eden This book is an excellent resource for Adult Bible Studies and High School or college level texts
