Defoe And Fictional Time:

Defoe and Fictional Time Paul Kent Alkon, 1979 **Defoe and Fictional Time** Paul K. Alkon, 2010-08-01 Defoe and Fictional Time shows Defoe's relevance to issues now central to criticism of the novel: relationships between narrative time and clock time; the influence of time concepts shared by writers and their audience; and above all, the questions of how fiction shapes the phenomenal time of reading. Paul K. Alkon offers first a study of time in Defoe's fiction with glances at Richardson, Fielding, and Sterne, and second a theoretical discussion of time in fiction. Arguing that eighteenth-century views of history account for the strange chronologies in *Captain Singleton*, *Colonel Jack*, *Moll Flanders*, and *Roxana*, Alkon explores Defoe's innovative use of narrative sequences, frequency, spatial form, chronology, settings, tempo, and the reader's cumulative memories of a text. Defoe's *Journal of the Plague Year* is the first portrayal of a public duration: passing time shared by an entire population during a crisis, ranking Defoe among the most creative writers who have explored the way in which fictional time may influence reading time.

Defoe's Major Fiction Elizabeth R. Napier, 2016-01-28 This book focuses on the pervasive concern with narrativity and self-construction that marks Defoe's first-person fictional narratives. Defoe's fictions focus obsessively and elaborately on the act of storytelling, not only in his creation of idiosyncratic voices preoccupied with the telling and often the concealing of their own life stories, but also in his narrators' repeated aversion to other untold stories that compete for attention with their own. Defoe's narratives raise profound questions about selfhood and agency, as well as demonstrate competing attitudes about narration in his fictive worlds. His canon exhibits a broad range of first-person fictional accounts, from pseudo-memoir (*A Journal of the Plague Year*), *Memoirs of a Cavalier*, to criminal autobiography (*Moll Flanders*), to confession (*Roxana*), and the narrators of these accounts, secretive, compulsive, fractive, exhibit an array of resistances to the telling of their life stories. Such experiments with narration evince Defoe's deep involvement in projects of self-description and delineation, as he interrogates the boundaries of the self and dramatizes the arduousness of self-accounting. Defoe's fictions are emphatically consciousness-centered, and the significance of such a focus to the development of the novel is patently as great as is his realistic style. Defoe's narrative project, in fact, challenges current views on the moment at which inwardness and interiority begin, as Lukács argued to comprise the subject matter of the novel, implicitly attributing to identity and consciousness a place of signal and complex importance in the new genre.

Defoe's Fiction Ian A. Bell, 2021-12-16 First published in 1985, *Defoe's Fiction* explores Defoe's work by considering it in the context of its genre. The book highlights the difficulty of placing Defoe's fiction in the most appropriate context, due to it being aimed primarily at a popular market, in contrast to the more literary productions of Pope, Swift, or Addison. It also comments on the trend of focusing on Defoe's irony or emphasizing his mimetic power. In doing so, it seeks to explain rather than judge Defoe's achievement by looking at his whole body of work in the context of its genre. *Defoe's Fiction* will appeal to those with an interest in Defoe, comparative literature, and the history of literary criticism.

Encyclopedia of Time Samuel L.

Macey,2013-04-11 In this encyclopedia some 200 international scholars in 360 articles explore subjects such as physics archeoastronomy astronomy mathematics time s measurements and divisions as well as covering other scientific and interdisciplinary areas biology economics and political science horology history medicine geography geology and telecommunications

The Cambridge Companion to the Eighteenth-Century Novel John Richetti,1996-09-05 In the past twenty years our understanding of the novel s emergence in eighteenth century Britain has drastically changed Drawing on new research in social and political history the twelve contributors to this Companion challenge and refine the traditional view of the novel s origins and purposes In various ways each seeks to show that the novel is not defined primarily by its realism of representation but by the new ideological and cultural functions it serves in the emerging modern world of print culture Sentimental and Gothic fiction and fiction by women are discussed alongside detailed readings of work by Defoe Swift Richardson Henry Fielding Sterne Smollett and Burney This multifaceted picture of the novel in its formative decades provides a comprehensive and indispensable guide for students of the eighteenth century British novel and its place within the culture of its time

A Journal of the Plague Year Daniel Defoe,2017-08-11 A Journal of the Plague Year is a novel by Daniel Defoe This novel is an account of one man s experiences of the year 1665 in which the Great Plague or the bubonic plague struck the city of London The book is told somewhat chronologically though without sections or chapter headings Presented as an eyewitness account of the events at the time it was written in the years just prior to the book s first publication in March 1722 Defoe was only five years old in 1665 and the book itself was published under the initials H F and is probably based on the journals of Defoe s uncle Henry Foe In the book Defoe goes to great pains to achieve an effect of verisimilitude identifying specific neighborhoods streets and even houses in which events took place Additionally it provides tables of casualty figures and discusses the credibility of various accounts and anecdotes received by the narrator The novel is often compared to the actual contemporary accounts of the plague in the diary of Samuel Pepys Defoe s account which appears to include much research is far more systematic and detailed than Pepys s first person account Whether the Journal can properly be regarded as a novel has been disputed It was initially read as a work of non fiction but by the 1780s the work s fictional status was accepted Debate continued as to whether Defoe could be regarded as the work s author rather than merely its editor One modern literary critic has asserted that the invented detail is small and inessential while Watson Nicholson writing in 1919 argued that the work can be regarded as authentic history Other literary critics have argued that the work can indeed be regarded as a work of imaginative fiction and thus can justifiably be described as a historical novel

From Eternity to Time Aino Mäkikalli,2007 This study examines different conceptions of time in Daniel Defoe s 1660 1731 novels The temporal aspects of the novels are surveyed taking into account the historical situation of the novel as a genre and contemporary conceptions of time The modernisation process of the Western world serves as a wider context of the study as present research indicates that Defoe s novels exemplify a multilayered shift from pre modern Western

conceptions of time to those of the modern age The author also explores gendered time and economic and cultural values of time in Defoe s novels The book contributes a fresh analysis of Defoe s novels and demonstrates the crucial relation between historical cultural conceptions of time and the historically changing genre of the novel **MOLL FLANDERS - Daniel**

Defoe Daniel Defoe,2024-09-04 Published in 1722 Moll Flanders is one of Defoe s most notable works following the life of its eponymous heroine The novel is a compelling story of a woman born into poverty who navigates the challenges of 17th century England with resourcefulness and determination Told in the first person Moll s narrative recounts her many adventures misfortunes and the moral dilemmas she faces as she seeks security and respectability Moll Flanders is more than just a tale of crime and survival it is a complex exploration of the human condition social mobility and the pursuit of redemption Defoe s portrayal of Moll s life is both realistic and sympathetic offering a nuanced look at the choices she makes and the circumstances that shape her fate The novel s vivid depiction of the struggles and resilience of its protagonist invites readers to reflect on themes of morality society and the human capacity for change *Atalantis Major* Daniel

Defoe,2021-04-24 In *Atalantis Major* Daniel Defoe crafts a sophisticated exploration of political and social dynamics set against the backdrop of a fantastical lost civilization Literature from the early 18th century often utilized allegory and satire to address contemporary issues and Defoe expertly weaves these elements into his narrative This work serves as a reflection on the tumultuous political landscape of Defoe s time characterized by the rise of empirical thought and shifts in societal norms all conveyed through his hallmark prose style filled with vivid imagery and intricate characterizations Daniel Defoe a pioneer of the novel form and an astute observer of human nature was influenced by his experiences as a trader and pamphleteer His encounters with various cultures during travels contributed to his imaginative prowess allowing him to infuse *Atalantis Major* with rich details and a deep understanding of human ambition and folly Defoe s multifaceted career marred by his controversial stance on numerous political issues shaped his narrative voice and thematic concerns which resonate throughout this text Readers of historical fiction and political allegory will find *Atalantis Major* an enlightening and engaging read Defoe s intricate storytelling invites reflection on the nature of power and the human condition making it a significant addition to the literary canon This book not only entertains but also provokes critical thought on the societal structures we inhabit affirming Defoe s lasting impact on literature In this enriched edition we have carefully created added value for your reading experience A succinct Introduction situates the work s timeless appeal and themes The Synopsis outlines the central plot highlighting key developments without spoiling critical twists A detailed Historical Context immerses you in the era s events and influences that shaped the writing An Author Biography reveals milestones in the author s life illuminating the personal insights behind the text A thorough Analysis dissects symbols motifs and character arcs to unearth underlying meanings Reflection questions prompt you to engage personally with the work s messages connecting them to modern life Hand picked Memorable Quotes shine a spotlight on moments of literary brilliance Interactive footnotes clarify
