Wolf, 2020-03-31 Why have cesarean sections become so commonplace in the United States Between 1965 and 1987 the cesarean section rate in the United States rose precipitously from 4 5 percent to 25 percent of births By 2009 one in three births was by cesarean a far higher number than the 5 10% rate that the World Health Organization suggests is optimal While physicians largely avoided cesareans through the mid twentieth century by the early twenty first century cesarean section was the most commonly performed surgery in the country Although the procedure can be lifesaving how and why did it become so ubiquitous *Cesarean Section* is the first book to chronicle this history In exploring the creation of the complex social cultural economic and medical factors leading to the surgery s increase Jacqueline H Wolf describes obstetricians reliance on assorted medical technologies that weakened the skills they had traditionally employed to foster vaginal birth She also reflects on an unsettling malpractice climate prompted in part by a raft of dubious diagnoses that helped to legitimize defensive medicine and a health care system that ensured cesarean birth would be more lucrative than vaginal birth In exaggerating the risks of vaginal birth doctors and patients alike came to view cesareans as normal and increasingly as essential Sweeping change in women s lives beginning in the 1970s cemented this markedly different approach to childbirth Wolf examines the public health effects of a high cesarean rate and explains how the language of reproductive choice has

been used to discourage debate about cesareans and the risks associated with the surgery Drawing on data from nineteenth and early twentieth century obstetric logs to better represent the experience of cesarean surgery for women of all classes and races as well as interviews with obstetricians who have performed cesareans and women who have given birth by cesarean **Cesarean Section is the definitive history of the use of this surgical procedure and its effects on women s and children s health in the United States** Garage Sale and Flea Market Annual Collector Books,Bob Huxford,Sharon Huxford,Collector Books Staff,1997-03 This reference is packed with descriptions and current values for nearly 25 000 collectibles representing virtually every category on today s market books sports cards ornaments toys cookie jars fifties glassware and movie memorabilia to name just a few 750 photos **Antique Trader Antiques & Collectibles 2012 Price Guide** Eric Bradley,2011-09-06 America s No 1 Selling Price Guide For nearly 30 years Antique Trader Antiques Collectibles has been the leading source for information on antiques and collectibles Filled with expert advice vetted values and 4 500 color photographs Antique Trader provides the clearest and most dependable picture of this amazingly diverse and magnificent market Inside you will enjoy a variety of new collecting areas as well as old favorites Including Asian art bottles ceramics Civil War collectibles clocks comic books cookie jars figurines furniture glass Hallmark Keepsake Ornaments illustration art kitchenware perfume bottles petroliana toys vintage clothing and Zippo lighters Also new this year is Top Lots a feature highlighting the bestselling results from some of the finest auction houses nationwide Garage Sale and Flea Market Annual Bob Huxford,2002-02 Packed with descriptions and current values for nearly 25 000 collectibles representing virtually every collectible category on today s market books sports cards ornaments toys cookie jars fifties glassware and movie memorabilia to name just a few More than 750 photos Related resources and a list of dealers included 8 5 x 11 512 pages 2003 values **A Sci-Fi Swarm and Horror Horde** Tom Weaver,2014-01-10 In this jam packed jamboree of conversations more than 60 movie veterans describe their experiences on the sets of some of the world s most beloved sci fi and horror movies and television series Including groundbreaking oldies Flash Gordon One Million B C 1950s and 1960s milestones The War of the Worlds Psycho House of Usher classic schlock Queen of Outer Space Attack of the Crab Monsters and cult TV favorites Lost in Space Land of the Giants the discussions offer a frank and fascinating behind the scenes look Among the interviewees Roger Corman Pamela Duncan Richard and Alex Gordon Tony Dr Lao Randall Troy Donahue Sid Melton Fess Parker Nan Peterson Alan Young John Bud Cardos and dozens more **Ceramic Industry** ,1957 **Garage Sale and Flea Market Annual** Collector Books,2006-02-22 Each spring we produce a fresh edition of our popular Garage Sale Flea Market Annual Many collectors refer to this title as a companion to Schroeder s Antiques Price Guide because Garage Sale Flea Market Annual covers more modern collectibles things readily available at flea markets or garage sales The book is packed with descriptions and current values for nearly 25 000 collectibles representing virtually every category on today s market books sports cards ornaments toys cookie jars fifties glassware and movie memorabilia to name just a few It s
