Pursuing the Leviathan Paul Magid,2025-06-17 Set in the golden age of whaling in the nineteenth century this book brings to life the adventures of Benjamin Clough best known for single handedly rescuing the ship Sharon from mutineers in 1842 Clough s heroism earned him a whaling command which led to a whaling career that for a quarter century took him into the Atlantic Pacific and Arctic Oceans The extraordinary event that merited Clough his promotion to a captaincy occurred when he was just twenty three years old At sea since the age of sixteen by 1842 Clough s impressive skills and seamanship had earned him an appointment as third mate aboard the whaling ship Sharon While most of the crew including Clough were in smaller boats pursuing whales three Pacific Island crewmembers enraged by their captain s wanton cruelty mutinied and subsequently murdered him and seized the ship Raising its sails they prepared to abandon the other men to die a terrifying death on the open sea The crew cowed by the mutineers ferocity was at a loss as to what to do when Clough stepped up and volunteered to retake the vessel Alone he swam in the pitch black of night through shark infested waters boarded the Sharon overcame two of the Islanders in hand to hand combat and recaptured the ship The Sharon s owners rewarded his heroism by giving him command on its next voyage launching him on the second phase of his whaling career as a successful much admired whaling captain Drawing on whaling logs journals and family documents author Paul Magid follows Clough from his first voyage in 1835 to his retirement from whaling in 1867 Clough s story is set in the context of the book s gritty portrayal of the dangerous and brutal conditions endured by whalers during this period At the same time Clough s time ashore on Martha s Vineyard allows the author to explore a little known period in the island s

history and the protagonist's role in transforming the Vineyard into a coveted destination for mainland vacationers *The Oceanic Society Field Guide to the Gray Whale* Ben Bennett, 1983 **The New Yorker** Harold Wallace Ross, Katharine Sergeant Angell White, 1982-11 Managing, Marketing, and Maintaining Maritime and Coastal Tourism Morais de Brito, Mónica, Dias, Alvaro, Patuleia, Mafalda, 2019-11-29 The extraordinary beauty, cultural wealth, and diversity of EU's coastal areas have designated them as one of the preferred destinations for many holidaygoers. The numerous businesses that operate in these heavily traveled areas have to struggle with other similarly minded companies and with providing sustainable practices for the people and surrounding area. *Managing, Marketing, and Maintaining Maritime and Coastal Tourism* is a pivotal reference source that provides vital material on the application of multidisciplinary and interdisciplinary logic surrounding sea tourism. While highlighting topics such as destination marketing, event management, and global business, this publication explores the dynamic capabilities and the methods of overall management of hospitality by the sea. This book is ideally designed for marketers, advertisers, tour directors, cruise directors, travel agents, port managers, coastal cities managers, event coordinators, academics, students, researchers, policymakers, public managers, and tourism entrepreneurs. **Animal Kingdom**, 1983 **Bulletin of the International Oceanographic Foundation**, 1985 The Rough Guide to California Rough Guides, 2017-06-13 This in-depth coverage of California's local attractions, sights, and restaurants takes you to the most rewarding spots, from the Hollywood sign to the Golden Gate Bridge to the Redwoods, and stunning color photography brings the land to life on the pages. With a beautiful new cover, amazing tips and information, and key facts, *The Rough Guide to California* is the perfect travel companion. Discover California's highlights with expert advice on exploring the best sites, participating in festivals, and exploring local landmarks through extensive coverage of this fascinating location. Easy-to-use maps, reliable advice on how to get around, and insider reviews of the best hotels, restaurants, bars, clubs, and shops for all budgets ensure that you won't miss a thing. Make the most of your time with *The Rough Guide to California*. **The Publishers Weekly**, 1972 **The Lands of Silence** Sir Clements Robert Markham, 1921 *The Lands of Silence: A History of Arctic and Antarctic Exploration* by Clements Robert Markham, first published in 1921, is a rare manuscript, the original residing in one of the great libraries of the world. This book is a reproduction of that original, which has been scanned and cleaned by state-of-the-art publishing tools for better readability and enhanced appreciation. Restoration Editors' mission is to bring long-out-of-print manuscripts back to life. Some smudges, annotations, or unclear text may still exist due to permanent damage to the original work. We believe the literary significance of the text justifies offering this reproduction, allowing a new generation to appreciate it. **Encyclopedia of Marine Mammals** William F. Perrin, Bernd Würsig, J.G.M. Thewissen, 2009-02-26 This thorough revision of the classic *Encyclopedia of Marine Mammals* brings this authoritative book right up to date. The Canadian Encyclopedia James H. Marsh,1999 This edition of The Canadian Encyclopedia is the largest most comprehensive book ever published in Canada for the general reader It is COMPLETE every aspect of Canada from its rock formations to its rock bands is represented here It is UNABRIDGED all of the information in the four red volumes of the famous 1988 edition is contained here in this single volume It has been EXPANDED since 1988 teams of researchers have been diligently fleshing out old entries and recording new ones as a result the text from 1988 has grown by 50% to over 4 000 000 words It has been UPDATED the researchers and contributors worked hard to make the information as current as possible Other words apply to this extraordinary work of scholarship AUTHORITATIVE RELIABLE and READABLE Every entry is compiled by an expert Equally important every entry is written for a Canadian reader from the Canadian point of view The finished work many years in the making and the equivalent of forty average sized books is an extraordinary storehouse of information about our country This book deserves pride of place on the bookshelf in every Canadian Home It is no accident that the cover of this book is based on the Canadian flag For the proud truth is that this volume represents a great national achievement From its formal inception in 1979 this encyclopedia has always represented a vote of faith in Canada in Canada as a separate place whose natural worlds and whose peoples and their achievements deserve to be recorded and celebrated At the start of a new century and a new millennium in an increasingly borderless corporate world that seems ever more hostile to national distinctions and aspirations this Canadian Encyclopedia is offered in a spirit of defiance and of faith in our future The statistics behind this volume are staggering The opening sixty pages list the 250

Consultants the roughly 4 000 Contributors all experts in the field they describe and the scores of researchers editors typesetters proofreaders and others who contributed their skills to this massive project The 2 640 pages incorporate over 10 000 articles and over 4 000 000 words making it the largest some might say the greatest Canadian book ever published There are of course many special features These include a map of Canada a special page comparing the key statistics of the 23 major Canadian cities maps of our cities a variety of tables and photographs and finely detailed illustrations of our wildlife not to mention the colourful informative endpapers But above all the book is encyclopedic which the Canadian Oxford Dictionary describes as embracing all branches of learning This means that with rare exceptions there is satisfaction for the reader who seeks information on any Canadian subject From the first entry A mari usque ad mare from sea to sea which is Canada s motto and a good description of this volume s range to the Zouaves who mustered in Quebec to fight for the beleaguered Papacy there is the required summary of information clearly and accurately presented For the browser the constant variety of entries and the lure of regular cross references will provide hours of fascination The word encyclopedia derives from Greek expressions alluding to a grand circle of knowledge Our knowledge has expanded immeasurably since the time that one mind could encompass all that was known Yet now Canada s finest scientists academics and specialists have distilled their knowledge of our country between the covers of one volume The result is a book for every Canadian who values learning and values Canada
