Cox,2019-11-07 Angelic envoy Delilah must track down the killer of a protected human who fled to the demonic realm the Archfiend Zone While chasing the powerful foe she must confront a shameful past that taunts her every waking moment In millennia past treachery turned a large remnant of angels into conspirators who stormed Heaven and were cast down as demons During the horrible onslaught something precious was taken from Delilah her mind Bits of her intellect was taken in the form of enodes and transformed into jewels to be dispersed among her demonic rivals Her memory is forever scarred as she suffers from loss of identity in times of crisis It is her personal mission to recover what was taken from her from one of the most powerful demons in the Archfiend During her investigation she discovers a plot for Lucifer to take over the throne of God It is up to her and her squad to stop them to prevent the End of Days better known to humanity as the apocalypse
