## **Delinquency And Justice:**

*Delinquency and Justice* William E. Thornton, Lydia Voigt, 1992

**Delinquency and Juvenile Justice in American Society** Randall G. Sheldon, Emily I. Troshynski, 2019-07-16 What is delinquency What are the pathways to offending What prevention strategies exist To understand delinquency we need to overcome stereotypical thinking and implicit biases This engaging affordable text explores the impact of gendered racial and class attitudes on decisions to arrest detain adjudicate and place youths in the juvenile justice system Sheldon and Troshynski highlight the social legal and political influences on how the public perceives juveniles They look at the influences of family and schools on delinquency as well as the impact of gender trauma and mental health issues Discussions of topics such as the school to prison pipeline disproportionate minority contact and inequality provide a nuanced perspective on delinquency a critical examination of social policies intended to control delinquency and the populations most likely to enter the juvenile justice system The authors also examine the dramatically declining juvenile crime rate and advances in neuroscience that have fostered substantive reforms These alternatives to confinement are replacing the institutions that have repeatedly produced failure with rehabilitative programs that offer hope for a more promising future

*Juvenile Delinquency and Justice in the United States* Lee Michael Johnson, Kimberly A. DeTardo-Bora, Frances P. Reddington, 2020 *Juvenile Delinquency and Justice in the United States* recognizes both the distinction and overlap between the subjects of juvenile delinquency and juvenile justice Its twelve chapters are divided into two parts Part I contains six chapters where the problem of delinquency itself is defined primarily the nature extent and explanation of juvenile offending Part II contains six chapters that describe formal social control of juvenile offending primarily the components of the juvenile justice system current juvenile justice issues and reform efforts Part I describes what delinquency is exactly how much of it occurs and its relative seriousness why it happens and why it doesn't happen social control Since there are many possible causes of delinquency that operate in complex ways three chapters are dedicated to them These chapters focus on theories and factors that receive significant research support Much attention is given to life course and developmental theories given their prominent place in contemporary criminology and that child development has long been a focus in understanding delinquency Part II describes what the juvenile justice system is doing and possibly should do to solve the problem of delinquency Here a major feature of the book is that it goes beyond formal justice system structure and processes policing courts and corrections to address the major role that human social service workers and agencies play in juvenile justice processes This is important as most system involved juveniles are not serious chronic offenders deeply entangled in the system most are sanctioned in the community and may deal more with social service agents Social services also play a major role in treating serious offenders Thus much attention is given to treatment and rehabilitation issues Further broader issues of social justice and human rights are addressed Unique to this book is a chapter Chapter 11 devoted solely to juvenile justice reform

**Juvenile Justice and Delinquency** David

Springer, Albert Roberts, 2011-04-18 Traces the progress toward resolving critical juvenile justice and delinquency issues and to provide cutting edge intervention strategies to effectively rehabilitate juvenile offenders and prevent delinquency The 21 chapters in this book are divided into four sections Part I provides an overview of juvenile delinquency and the juvenile justice system In this section we examine historical political legal and arrest delinquency trends and consider comprehensive community planning as one strategy for improving the juvenile justice system Part II explores early crime prevention strategies effective programs to reduce antisocial behavior and school bullying and the powerful relationship between school performance and juvenile delinquency Part III examines and critiques a range of developmental familial and sociological theories that are commonly used to explain and understand juvenile delinquency Finally in Part IV we examine a range of juvenile justice treatment and policy alternatives including mental health screening and assessment suicide prevention evidence based intervention models police responses and strategies to delinquency drug and mental health courts therapeutic jurisprudence restorative justice female delinquency and community based after care
