## **Delinquent Desire:**

Delinquent Desire Carla Neggers,1984      *The Individual Delinquent* William Healy,1915 The statement of our findings has gradually assumed the scope of a text or reference book the first on the subject We hope for our science the growth that other sciences have experienced there is great necessity for further research but extensions and modifications are to be embodied only as their truth is assured It would take long to specify the parts of our subject with which people of various affairs should be familiar Judges other court officers including lawyers and institutional authorities should have a particularly well rounded knowledge of the whole field Without the most thoughtful observation a great deal is hidden from view as may be easily appreciated by consideration of our cases and causal types Psychologists physicians religious leaders school people and not least of all parents should be in possession of many of our fundamental facts All who have to deal with offenders need the utmost possible understandings of human beings Preface PsycINFO Database Record c 2015 APA all rights reserved
