## **Delmore Schwartz And James Laughlin Selected Letters:**

**Delmore Schwartz and James Laughlin** Delmore Schwartz, James Laughlin, 1993 Selected letters depict the development of the friendship between Schwartz and Laughlin a young publisher [Kenneth Rexroth and James Laughlin](#) Kenneth Rexroth, 1991 Frankly H Miller was defended by me only because he spoke against the War and I think that was the main reason for his fame Now I do not believe what with Palmistry Chirography Phrenology and the Great Cryptogram he will survive the retooling period I honestly think he is the most insufferable snob I have ever met but all reformed pandhandlers are like that in a letter from Kenneth Rexroth to James Laughlin [The Shadow in the Garden](#) James Atlas, 2017 The biographer so often in the shadows kibbitzing casting doubt proving facts here comes to the stage James Atlas takes us back to his childhood in suburban Chicago where he fell in love with literature and early on found in himself the impulse to study writers lives We meet Richard Ellmann the great biographer of James Joyce and Atlas s professor during a transformative year at Oxford We get to know the author s first subject the self doomed poet Delmore Schwartz a bygone cast of intellectuals such as Edmund Wilson and Dwight Macdonald the tall trees as Mary McCarthy described them cut down now Atlas writes by the merciless pruning of mortality and of course the elusive Bellow **In the Sierra** Kenneth Rexroth, 2013-01-05 Nature writings by one of America s greatest poets written out of a deep experience of the Sierras Over the course of his life Kenneth Rexroth wrote about the Sierra Nevada better than anyone Progressive in terms of environmental ethics and comparable to the writings of Emerson Thoreau Aldo Leopold Annie Dillard and Gary Snyder Rexroth s poetry and prose described the way Californians have always experienced and loved the High Sierra Contained in this marvelous collection are transcendent nature poems as well as prose selections from his memoir An Autobiographical Novel newspaper columns published and unpublished WPA guidebooks and correspondence Famed science fiction writer Kim Stanley Robinson has compiled a gift for lovers of mountains and poetry both This volume also contains Robinson s introduction and notes photographs of Rexroth a map of Rexroth s travels and an amazing astronomical analysis of Rexroth s poems by the fiction writer Carter Scholz [Bellow's People](#) David Mikics, 2016-05-24 A leading literary critic s innovative study of how the Nobel Prize winning author turned life into art Saul Bellow was the most lauded American writer of the twentieth century the winner of the Nobel Prize in Literature and the Pulitzer Prize in Fiction and the only novelist to be awarded the National Book Award in Fiction three times Preeminently a novelist of personality in all its wrinkles its glories and shortcomings Bellow filled his work with vibrant garrulous particular people people who are somehow exceptionally alive on the page In Bellow s People literary historian and critic David Mikics explores Bellow s life and work through the real life relationships and friendships that Bellow transmuted into the genius of his art Mikics covers ten of the extraordinary people who mattered most to Bellow such as his irascible older brother Morrie a key inspiration for The Adventures of Augie March the writer Delmore Schwartz and the philosopher Allan Bloom who were the originals for the protagonists of Humboldt s Gift

and Ravelstein the novelist Ralph Ellison with whom he shared a house every summer in the late 1950s when Ellison was coming off the mammoth success of *Invisible Man* and Bellow was trying to write *Herzog* and Bellow's wife Sondra Tschacbasov and his best friend Jack Ludwig whose love affair Bellow fictionalized in *Herzog* A perfect introduction to Bellow's life and work Bellow's *People* is an incisive critical study of the novelist and a memorable account of a vibrant and tempestuous circle of midcentury American intellectuals

**The Complete Poems** William Empson, 2000 Empson's poetry occupies a central place in 20th century literature Acclaimed as the author of *Seven types of ambiguity* 1930 William Empson was applauded also for the dazzling intelligence and emotional passion of his poems T S Eliot praised the brain power and intense feeling of his poetry F R Leavis hailed him as the first true successor to John Donne Other writers as diverse as W B Yeats Dylan Thomas and John Betjeman have admired his elegant humane and moving work Robert Lowell told Empson I think you are the most intelligent poet writing in our language and perhaps the best I put you with Hardy and Graves and Auden and Philip Larkin

*Reading the Middle Generation Anew* Eric Haralson, 2006-05 Ten original essays by advanced scholars and well published poets address the middle generation of American poets including the familiar Robert Lowell Elizabeth Bishop Randall Jarrell and John Berryman and various important contemporaries Delmore Schwartz Theodore Roethke Robert Hayden and Lorine Niedecker This was a famously troubled cohort of writers for reasons both personal and cultural and collectively their poems give us powerful moving insights into American social life in the transforming decades of the 1940s through the 1960s In addition to having worked during the broad middle of the last century these poets constitute the center of twentieth century American poetry in the larger sense refuting invidious connotations of middle as coming after the great moderns and being superseded by a proliferating postmodern experimentation This middle generation mediates the so called American century and its prodigious body of poetry even as it complicates historical and aesthetic categorizations Taking diverse formal and thematic angles on these poets deconstructionist biographical historical and more formalist accounts this book re-examines their between-ness and ambivalence their various positionings and repositionings in aesthetic political and personal matters The essays study the interplay between these writers and such shifting formations as religious discourse consumerism militarism and war the ideology of America as nature's nation and U S race relations and ethnic conflicts *Reading the Middle Generation Anew* also shows the legacy of the middle generation the ways in which their lives and writings continue to be a shaping force in American poetry This fresh and invigorating collection will be of great interest to literary scholars and poets
