

Democracy and terrorism

TED PICCONE*

POLICY BRIEF

SEPTEMBER 2017

Summary

The empirical evidence for several decades demonstrated a strong relationship between democracy and terrorism, with hybrid regimes experiencing higher levels of terrorist attacks and casualties, and more established democracies and autocracies both experiencing less.¹ While this pattern continues to prevail, after 2001 it has evolved toward an increased number of terrorist attacks in nondemocratic countries, particularly those in conflict or under military occupation (e.g., Iraq, Afghanistan, Pakistan, Nigeria, and Somalia), and in a handful of consolidated democratic countries actively engaged in suppressing terrorism through the use of force (e.g., Israel, the United States, Spain, France, and the United Kingdom). Regardless of regime type, countries with higher levels of state-sponsored violence and abuse against their citizens were found to have greatly increased risks associated with violent extremism.²

These findings suggest that a country's best defense against terrorism is to improve the legitimacy of the state through more democratic, human rights, and rule of law practices at the local, national, and international levels. Drivers of terrorist violence, nonetheless, derive from multiple and complex sources, many of which are local. Responses must be tailored to specific circumstances and should be comprehensive, involving all relevant actors at the community level.

About the Project

This policy brief is part of a series of papers on democracy, security, and violent extremism prepared for the Community of Democracies' Democracy and Security Dialogue. The project seeks to foster greater collaboration among democratic governments, donors, civil society and academics to improve security outcomes and create a more conducive environment for the strengthening of democracy around the world. For more on the project and related materials, including the final report, visit www.brookings.edu/democracy-security-dialogue.

* This brief was written with invaluable assistance from Julian Druggan and Matthew Koo and with expert feedback from Christopher Meserole (Brookings Institution), Eric Rosand (The Prevention Project), Nicholas Robinson (Yale University), Catherine Kelly (American Bar Association), and researchers at the Institute of Security Studies, as well as members of the Community of Democracies Governing Council and its Civil Society Pillar. Brookings is committed to quality, independence, and impact in all of its work. Activities supported by its donors reflect this commitment and the analysis and recommendations are solely determined by the scholar. Support for this publication was generously provided through the Permanent Secretariat of the Community of Democracies.

Democracy And Terrorism

Leonard Weinberg

Democracy And Terrorism:

Democracy and Terrorism Leonard Weinberg,2013-02-11 This book examines the relationships between democratic government and political terrorism Since the 9 11 attacks the United States and many of its allies have declared a war on terrorism This struggle has been inspired in part by the belief is that by promoting democracy they will also bring an end to terrorism Where people enjoy the blessings of liberty they will naturally find peaceful outlets for the expression of their political views it has been widely held Terrorism on the other hand is seen largely as a consequence of repression Where citizens cannot choose rulers freely and where dissenting voices are silenced by the authorities terrorism and other types of violence appear to follow Democracy and Terrorism investigates the link between terrorism and the underlying principles of democracy both from an historical perspective and against contemporary developments in the Middle East and elsewhere Drawing upon a range of different case studies and using quantitative data to investigate statistical links between the waves of democracy and manifestations of terrorist violence the book reviews whether terrorism is in fact constrained by the rise of democratic government and the role of the law in fighting terrorism This book will be of much interest to students of terrorism political violence democratisation security studies and International Relations in general *Democratic Responses To Terrorism* Leonard B. Weinberg,2007-12-30 In the public debate many observers have argued that there is a trade off between fighting terrorism and enhancing democracy implying that democratic governance and its practices are obstacles to confronting terrorism effectively The purpose of this volume is to show that the values and principles of democracy must not be seen as a hindrance but should rather be considered as essential components of a counter terrorist strategy With a foreword by Fernando Henrique Cardoso former president of Brazil the essays here assess the elements of a new response against terrorism such as the role of the legal framework human rights democracy and civil society as well as international cooperation **Terrorism Versus Democracy** Paul Wilkinson,2006-09-27 No one understands terrorism better than Paul Wilkinson if policy makers read this book they will understand the problems better If terrorists read it they will understand themselves a lot better Michael Clarke King s College London University of London UK This acclaimed study examines both the new terror networks and those that have been around for decades This new edition brings it up to date with the dramatic opening of the twenty first century with new chapters on the 9 11 attacks the growth of international terrorism the Al Qaeda network and the War on Terror This text provides us with some much needed criteria for distinguishing between terrorists and freedom fighters and an explanation of the uses of terrorism as a political social religious and criminal weapon Wilkinson also links the use of terrorism to a wider repertoire of struggle He proposes a variety of possible counter measures and valuable principles carefully distilled from the recent past to help design a response that is compatible with democratic principles the rule of law and respect for human rights This book is essential reading for undergraduate and postgraduate students of terrorism studies political science and international relations as well as for policy makers and journalists

Democracy at Risk Jennifer L. Merolla, Elizabeth J. Zechmeister, 2009-10-15 How do threats of terrorism affect the opinions of citizens? Speculation abounds but until now no one had marshaled hard evidence to explain the complexities of this relationship. Drawing on data from surveys and original experiments they conducted in the United States and Mexico, Jennifer Merolla and Elizabeth Zechmeister demonstrate how our strategies for coping with terrorist threats significantly influence our attitudes toward fellow citizens, political leaders, and foreign nations. The authors reveal, for example, that some people try to restore a sense of order and control through increased wariness of others, especially of those who exist outside the societal mainstream. Additionally, voters under threat tend to prize strong leadership more highly than partisan affiliation, making some politicians seem more charismatic than they otherwise would. The authors show that a wary public will sometimes continue to empower such leaders after they have been elected, giving them greater authority even at the expense of institutional checks and balances. Having demonstrated that a climate of terrorist threat also increases support for restrictive laws at home and engagement against terrorists abroad, Merolla and Zechmeister conclude that our responses to such threats can put democracy at risk.

Terrorism, Democracy, and Human Security Ronald Crelinsten, 2021-03-15 This book examines the relationship between terrorism and counterterrorism and how it operates within the broader context of communication, control, power, and democratic governance at the national, international, and transnational level. A culmination of decades of research on the challenges that liberal democracies face in dealing with terrorism, this work provides an innovative framework that maps out the broader context in which terrorism and counterterrorism interact and co-evolve the terrorism-counterterrorism nexus. In a series of models moving from local to global perspectives, the framework places this nexus within the broader context of social, cultural, political, and economic life. This framework provides a tool for maintaining situational awareness in a multi-tiered, networked world where geography and history are splintering into a rainbow of perspectives and locales, revealing the contested nature of space and time themselves. This book will be of much interest to students of political violence, terrorism studies, communication studies, and international relations, as well as security professionals.

The Fight for Legitimacy Cindy R. Jebb, P. H. Liotta, Thomas Sherlock, Ruth Margolies Beitler, 2006-07-30 Terrorism cannot be treated as a monolithic threat. Moreover, as much as we may wish to focus on the terror tactics and terrorist means, we cannot overlook the ends. In fact, good policy can only be crafted with an understanding of the terrorist strategy: that is, how terrorists integrate their means to secure their goals given their perception of the security environment. The groups covered in this book change and evolve. While their governments must take aggressive actions to secure their populations against attacks, those governments that recognize the real grievances can simultaneously take action that addresses those grievances. This two-pronged approach simultaneously bolsters state legitimacy across the ethnic and majority populations while demonstrating state effectiveness regarding insecurity. The authors argue that the best way for states to win legitimacy vis-à-vis terrorists is by adhering to liberal democratic values, cooperating with other states,

and applying prudent counterterrorist tactics Inter state cooperation which affects domestic and foreign policies requires some convergence of political cultures among those cooperating states This book begins by analyzing five hotspot situations and their regional effects the Basques in Spain the ethnic Albanians in Macedonia the Kurds in Turkey the Chechens and Russia and the Palestinians Israel and a future Palestinian state These cases shed some light on how we should understand characterize and categorize terrorism and they provide insights into the concepts of political legitimacy liberal democracy political culture and political community As the United States assesses its homeland defense posture it must resist any temptation to weaken its liberal democratic values and as a superpower it must encourage other states to adhere to liberal democratic values as well Liberal democracy is a security imperative in today s global security environment **Militant Democracy** András Sajó, Lorri Rutt Bentch, 2004 This book is a collection of contributions by leading scholars on theoretical and contemporary problems of militant democracy The term militant democracy was first coined in 1937 In a militant democracy preventive measures are aimed at least in practice at restricting people who would openly contest and challenge democratic institutions and fundamental preconditions of democracy like secularism even though such persons act within the existing limits of and rely on the rights offered by democracy In the shadow of the current wars on terrorism which can also involve rights restrictions the overlapping though distinct problem of militant democracy seems to be lost notwithstanding its importance for emerging and established democracies This volume will be of particular significance outside the German speaking world since the bulk of the relevant literature on militant democracy is in the German language The book is of interest to academics in the field of law political studies and constitutionalism **Terrorism and Democracy** Peter Janke, 1992-06-18 Terrorism is here to stay and it will probably beset the newly emerging democracies of eastern Europe and the Soviet Union However such political violence can be combatted and this is a study of terrorism and how it has been successfully contained in contemporary first world democracies *Democratic Development & Political Terrorism* William J. Crotty, 2005 This timely collection of original essays examines the global link between democratic development and political terrorism delving into the difficult questions challenges far reaching consequences and uncertainties of dealing with terrorism on an international scale *Debating Terrorism and Counterterrorism* Stuart Gottlieb, 2025-04-15 A debate style text designed to promote critical thinking on terrorism and counterterrorism in international politics and homeland security **Dictatorship Vs. Democracy (Terrorism and Communism) a Reply to Karl Kautsky, by Leon Trotsky [pseud.]** With a Preface by H. N. Brailsford, and a Foreword by Max Bedact Leon Trotsky, 1922 **Democracy and Counterterrorism** Robert J. Art, Louise Richardson, 2007 A comparative study of the policies strategies and instruments employed by various democratic governments in the fight against terrorism *How Should Democracies Fight Terrorism?* Patti Tamara Lenard, 2020-06-30 In the wake of major terrorist attacks calls for ever more draconian policies to prevent further outrages are common Such responses raise the pressing question is it possible to effectively fight terrorism while respecting

democratic values of equality and trust Examining recent examples of terrorist atrocities from the murder of Muslims in New Zealand and Jews in Pittsburgh to the Charlie Hebdo attacks Patti Tamara Lenard considers how democracies should tackle terrorism within the constraints imposed by democratic principles For many the tension between liberty and security necessarily means that the only way to protect security is to sacrifice liberty but Lenard rejects this claim and instead argues that security's goal should be to keep all citizens equally secure in the face of terrorist threats Critiquing existing policies from exile to racial profiling she outlines what ethical counter terrorism policies should look like arguing for strategies that respect equality and thereby maintain trust among diverse communities in democratic states This erudite guide to how states might ethically fight terrorism will be essential reading for any student or scholar of public affairs security counter terrorism and democratic governance

Counterterrorism: Democracy's Challenge Andrea Bianchi, Alexis Keller, 2008-07-30 This book reviews state responses to terrorist violence and assesses the effects of modern counterterrorism law and policies on democratic states

The Challenges of Democracy in the War on Terror Maximiliano E. Korstanje, 2018-09-03 This book unravels the role of democracy after the 9 11 terrorist attacks and reflects important debates surrounding the security of Muslim communities in the years to come It looks at the problems of torture violence and the legal resources available to contemporary democracies to confront terrorism While terrorism is often regarded as one of the major threats to the West and the nation state this book explores the notion that a disciplined sense of terror is what keeps society working The strengths and limitations of liberalism are examined as well as the ethical dilemma of torture and human right violations in the struggle against terrorism This book carefully dissects the origin of the nation state and how it keeps society united The author offers a creative and unique approach to democracy and worldwide terrorism exploring the consequences for the nation state This book looks at the connections between terrorism mobility consumption torture and fear It will be of interest to researchers as well as postgraduate and postdoctoral students within the fields of Human Geography Politics Media and International Relations

Democratic Transformations in Europe Yvette Peters, Michaël Tatham, 2016-12-01 Democracies evolve Their evolution is not only key to their survival it is also a reflection of the changing environment in which they operate This book contributes to the analysis and understanding of how democratic states have transformed over time by examining a number of challenges and opportunities that they face With a focus on Europe 31 understood as the EU28 plus Switzerland Norway and Iceland the book brings together separate strands of literature which often remain disconnected in political science narratives Looking at citizen state relations the restructuring of politics and institutions of the state and developments which reach beyond and below the state it interrogates a variety of issues ranging from the decline of parties or the re emergence of nationalism as a political force to liberal challenges to social democracy terrorist threats and climate change The book combines these different dimensions into a comprehensive overview of the state of contemporary democracy its challenges and opportunities and its dynamic capacity to adapt In other words it deals with the perpetual

threats to and transformations of democracy and the state's ability to protect and strengthen its democratic attributes This text will be of key interest to scholars of European Politics Comparative Politics and Democracy Studies

Terrorism, Instability, and Democracy in Asia and Africa Dan G. Cox, John Falconer, Brian Stackhouse, 2010-10-13 A chilling up to the minute look at the links between political instability and terrorism in Asia and Africa *Terrorism and Political Violence in West Africa: a Global Perspective* Adebayo E. Adeyemi, Mahmoud N. Musa, 2015-07-30 While it could be arguably stated that West Africa has achieved remarkable and sustainable progress in the areas of democratic governance and economic growth the sub region over the past few years has been challenged by terrorism and other transnational security threats Innocent civilians are continuously killed security operatives and providers of humanitarian assistance targeted properties and infrastructure wantonly destroyed thus culminating in significant displacement of people and acute poverty If these developments are not carefully and timeously addressed they are capable of eroding progress so far recorded It is against this background that this Thesis undertakes a study of the different manifestations of terrorism and related transnational security challenges in West Africa to explore the internal and external sources and drivers of instability establish the linkages between terrorism and transnational threats examine the various steps taken in recent time to strengthen the sub regions capacity to prevent and address the menace of terrorism and other security challenges and make necessary policy recommendations based on comprehensive best practices

Terrorism and Democratic Stability Laud Humphreys, Jennifer Holmes, 2017-09-20 Can terrorism and state violence cause democratic break downs Although the origins of violence have been studied only rarely are its consequences And even when the consequences of violence are studied its effects are usually limited to consideration of preexisting conflict that originally spawned the violence In *Terrorism and Democratic Stability* Jennifer S Holmes claims that to understand the consequences of violence on democratic stability terrorism and state responses to terrorism must be studied together Holmes examines the effects of terrorism and state repression on democratic stability in Uruguay Peru and Spain The result is a detailed empirical study set in these locations placed within an overall theoretical framework In Uruguay in 1973 the military closed the national assembly and instituted over a decade of authoritarian rule In spite of seventy years of prior democracy Uruguayans did not protest In Peru in April 1992 Peruvian president Alberto Fujimori dissolved the congress and the judiciary Eighty percent of Peruvians approved of his self coup In Spain the troubled democracy survived an attempted coup in February 1981 Large demonstrations broke out in major cities in favor of democracy More than three quarters of Spaniards rejected the coup and almost half said they would act to defend democracy Why did Uruguayans and Peruvians withhold support for their democracies Why did the Spaniards defend theirs This study which begins conceptually and then moves on to comparative empirical analysis adopts an innovative approach identifying a new concept of citizen support as a key factor in the consequences of terrorism and repression on democratic stability The study of Spain is set within a European Union context

that provides important lessons for other EU countries This book will be of interest to scholars and students of democratic systems terrorism and the philosophy of science

Essentials of Counterterrorism James J. F. Forest, 2015-10-21 A comprehensive overview of counterterrorism that examines key aspects of the fight against terrorism including intelligence law enforcement the military financial and criminal activity ethics and social media Recent terrorist actions in the United States and abroad make it clear that the subject of counterterrorism is as vital and as timely as ever Edited by a leading authority on terrorism and security studies this compendium offers a wide ranging look at the most vital aspects of counterterrorism from diplomacy and military action to the investigation and interdiction of terrorist finances Following an introduction chapters offer insightful discussions of strategy policy tactical and operational dimensions of counterterrorism An interdisciplinary team of expert contributors examine a wide range of topics including lone wolf and homegrown terrorists intelligence cooperation social media community policing terrorism finance and the shadow economy Case studies from Europe Latin America South Asia the Middle East and the United States provide clear practical examples of effective and sometimes not so effective approaches to combating terrorism The volume will serve as a central textbook for professional development courses workshops and academic degree programs on terrorism counterterrorism and security studies

Thank you enormously much for downloading **Democracy And Terrorism**. Maybe you have knowledge that, people have look numerous period for their favorite books bearing in mind this Democracy And Terrorism, but end occurring in harmful downloads.

Rather than enjoying a good ebook like a mug of coffee in the afternoon, then again they juggled in the same way as some harmful virus inside their computer. **Democracy And Terrorism** is open in our digital library an online admission to it is set as public consequently you can download it instantly. Our digital library saves in combination countries, allowing you to get the most less latency time to download any of our books afterward this one. Democracy And Terrorism Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Democracy And Terrorism PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they

need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Democracy And Terrorism PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Democracy And Terrorism free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Democracy And Terrorism Books

What is a Democracy And Terrorism PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Democracy And Terrorism PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Democracy And Terrorism PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Democracy And Terrorism PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Democracy And Terrorism PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" ->

"Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
