The Demon Spirit R.A. Salvatore, 2002-02-05 Absorbing This is one of the finest books yet in Salvatore's prolific career Publishers Weekly Elbryan and Pony soul mates from childhood who grew even closer over time fervently hope that the tide of darkness is at last receding from the land of Corona Yet if evil is on the retreat why are hordes of goblins and bloody capped powries slashing their way ever deeper into civilized lands A sinister threat now looms over Corona for the power of the demon dactyl was not entirely vanquished by the sacrifice of the monk Avelyn Desbris Instead its darkness has infiltrated the most sacred of places as a once admired spiritual leader rededicates his life to the most vicious most insidious revenge against the forces of good There may be no stopping the spread of the malignant evil A gripping story some of his best work

**Booklist** **Demon Spirit "Persons" Are in Our Children!** Donald R. Evans, 2025-08-05 Demon spirit persons are in our children I know this from my childhood experiences which neither I nor my parents knew because I was possessed by concealed and camouflaged invisible real live demons in my body What the world sees today and what I saw as a child is that children today throughout the entire world are more demonized or demon possessed than ever before performing all kinds of hideous heinous sinister vile and horrific acts that are all demonically controlled more than ever before even against themselves which they have no control over This book relates how children of all ages and genders how demon spirits enter their bodies without their knowledge or the world's knowledge of being demonically controlled nor their parents Some parents are in a similar condition beginning in their childhood and are still demonically controlled today This book Demons Are in Our Children also relates to spiritual revelations about how these invisible spirit persons operate internally and externally through humans of all ages and genders without discrimination This means all humans are vulnerable and susceptible to becoming demonized or demon possessed regardless of a person's Christian values or religious views It's imperative that children at young ages acknowledge that we coexist and cohabit with real live spirit persons who are smarter and highly intelligent and have the ability to enter human bodies to possess them as their own Demon spirits access avenues of entering human bodies through habits of any kind regardless of how small or large which become uncontrollable and allow them to live and perform through those they have entered to harm steal kill or destroy by any means Remember there aren't friendly demons in the world Demons are evil wicked spirit persons who want to possess human bodies to use as their own for their will and purposes and to harm steal kill or destroy lives and families
