

4 Levels Of Consciousness

Your emotional state of being

4. Life happens as me

You know you are (and) with Spirit, and at that is, that there is no separation between you, your Higher Self/God and others. You operate from a place of deep compassion. God focus is primarily on being in the present moment, being with others as you would have others done with you while you are inspired by Spirit to take aligned action.

3. Life happens through me

You believe you are here for a reason, a bigger purpose in touch with your Higher Power and grateful with your situation, trusting that it will guide you and faith that you will have all your needs met.

2. Life happens by me

You believe you have control of everything, that you make things happen because you are causing them to happen. You are ambitious and driven.

1. Life happens to me

You feel victimized, helpless, and believe that you have no power. Blaming outside circumstances, people, things, events for reasons why you cannot make change.
