Moody,2018-06-01 Hearken unto the voice of my cry my King and my God for unto thee will I pray Psalm 5 2 This book is a comprehensive study on the subject of prayer and will show you that there are nine elements which are essential to true prayer These elements are as follows Adoration We cannot meet God on a level at the start We must approach him as one far beyond our reach or sight Confession Sin must be put out of the way We cannot have any communion with God while there is any disobedience between us Restitution We have to make amends for the wrong wherever possible Thanksgiving We must be thankful for what God has done for us already Forgiveness We must forgive others and pull any root of bitterness that might be growing Unity Loving one another brings power in prayer Faith There must be faith which the preceding things produce Petition Thus influenced by the other things we will be ready to offer direct petition or requests to God There needs to be more petition in our prayers Submission After all these there must come submission While praying we must be ready to accept the will of God Dwight Moody expounds on these nine elements in this volume using illustrations and stories to validate what he is saying and to help make the truths in this book stick **The Open Court** ,1907
