## **Of Prefaces:**

The Book of Prefaces Alasdair Gray, 2002-01-01 Grandly conceived gorgeously realised and sparkingly alert to the making not just of works of art but of a language this crammed compendium so copiously yet lightly learned so drolly self reflexive yet enticingly accessible so exhilaratingly quixotically magniloquent is the last word in forewords Herald **A Book of Prefaces** Henry Louis Mencken, 1917 This fourth printing of A Book of Prefaces offers me temptation as the third did to revise the whole book and particularly the chapters on Conrad Dreiser and Huneker all of whom have printed important new books since the text was completed In addition Huneker has died But the changes that I d make after all would be very slight and so it seems better not to make them at all From Conrad have come The Arrow of Gold and The Rescue not to mention a large number of sumptuous reprints of old magazine articles evidently put between covers for the sole purpose of entertaining collectors From Dreiser have come Free Twelve Men Hey Rub a Dub Dub and some chapters of autobiography From Huneker before and after his death have come Unicorns Bedouins Steeple Jack Painted Veils and Variations But not one of these books materially modifies the position of its author The Arrow of Gold I suppose has puzzled a good many of Conrad s admirers but certainly The Rescue has offered ample proof that his old powers are not diminished The Dreiser books like their predecessors that I discuss here reveal the curious unevenness of the author Parts of Free are hollow and irritating and nearly all of Hey Rub a Dub Dub is feeble but in Twelve Men there are some chapters that rank with the very best of The Titan and Jennie Gerhardt **A Book of Prefaces** H. JOSEPH CONRAD 1 Under all his stories there ebbs and flows a kind of tempered melancholy a sense of seeking and not finding I take the words from a little book on Joseph Conrad by Wilson Follett privately printed and now I believe out of print They define both the mood of the stories as works of art and their burden and direction as criticisms of life Like Dreiser Conrad is forever fascinated by the immense indifference of things the tragic vanity of the blind groping that we call aspiration the profound meaninglessness of life fascinated and left wondering One looks in vain for an attempt at a solution of the riddle in the whole canon of his work Dreiser more than once seems ready to take refuge behind an indeterminate sort of mysticism even a facile supernaturalism but Conrad from first to last faces squarely the massive and intolerable fact His stories are not chronicles of men who conquer fate nor of men who are unbent and undaunted by fate but of men who are conquered and undone Each protagonist is a new Prometheus with a sardonic ignominy piled upon his helplessness Each goes down a Greek route to defeat and disaster leaving nothing behind him save an unanswered question I can scarcely recall an exception Kurtz Lord Jim Razumov Nostromo Captain Whalley Yanko Goorall Verloc Heyst Gaspar Ruiz Almayer one and all they are destroyed and made a mock of by the blind incomprehensible forces that beset them Even in Youth Typhoon and The Shadow Line superficially stories of the indomitable that same consuming melancholy that same pressing sense of the irresistible and inexplicable is always just beneath the surface Captain Mac Whirr gets the Nan Shan to port at last but it is a victory that stands quite outside the man himself he is no more than a marker in the unfathomable game the elemental forces fighting one another almost disregard him the view of him that we get is one of disdain almost one

of contempt We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience

**Prefaces** Don Marquis,1919 [Prefaces](#) S©iren Kierkegaard,1997 Prefaces presented as a set of prefaces without a book to follow this work is a satire on literary life in nineteenth century Copenhagen a lampoon of Danish Hegelianism and a prefiguring of Kierkegaard s final collision with Danish Christendom At the same time it tightly expresses themes characteristic of the entire authorship including subjectivity and Christian devotion Shortly after publishing Prefaces Kierkegaard began to prepare Writing Samplers as a sequel This next work considers the themes of Prefaces but in a yet more ironical and satirical vein Writing Sampler remained among Kierkegaard s unpublished writings during his lifetime and appears here for the first time as Kierkegaard originally envisioned it in the company of Prefaces
