Of Proverbs Chapters 1 15:

The Book of Proverbs, Chapters 1-15 Bruce K. Waltke, 2004-10-14 Over twenty five years in the making this much anticipated commentary promises to be the standard study of Proverbs for years to come Written by eminent Old Testament scholar Bruce Waltke this two volume commentary is unquestionably the most comprehensive work on Proverbs available Grounded in the new literary criticism that has so strengthened biblical interpretation of late Waltke s commentary on Proverbs demonstrates the profound ongoing relevance of this Old Testament book for Christian faith and life A thorough introduction addresses such issues as text and versions structure authorship and theology The detailed commentary itself explains and elucidates Proverbs as theological literature Waltke s highly readable style evident even in his original translation of the Hebrew text makes his scholarly work accessible to teachers pastors Bible students and general readers alike

The True Identity of the People of the Way Ross Daniel Harmon, 2024-10-24 The True Identity of the People of the Way demonstrates that Luke alludes to the book of Proverbs when Luke in Acts 9 and following calls the Church the Way Consequently this study shows that Luke identifies the people of the Way as followers of the one and true God depicted in Proverbs Within Acts Luke s claim was likely shocking to the Jewish people which relates directly to the function of the Way This fresh perspective on the way metaphor in Acts provides a more natural and fitting referent than previous proposals and finds its function as a polemic between Jesus followers and others This research identified allusions and motifs in literature to determine that Luke uses the way metaphor to describe Christ s followers The study first shows the need for research concerning Luke s motive or referent for calling the Church the Way Second the study examines the probability of Proverbs influence on Luke Third the study provides an in depth analysis of the way metaphor in Acts concluding that Proverbs is the referent of the Way when referring to the Church

The Art of Preaching Old Testament Poetry Steven D. Mathewson, 2024-11-05 Preachers often struggle with preaching Old Testament poetry They are uncertain how to preach the highly emotive poems in Psalms the one liners in Proverbs the tedious conversations in Job the esoteric observations about life in Ecclesiastes and the confusing love poems in the Song of Songs Here leading pastor theologian Steven Mathewson instructs and inspires preachers to preach some of the most challenging and some of the richest material in the Old Testament This companion to his successful *The Art of Preaching Old Testament Narrative* guides readers through preaching the oft neglected Old Testament poetic books Mathewson introduces foundational issues and offers basic methodology and preaching strategies that are faithful to the text and sensitive to its listeners Highlighting Mathewson s skill at bringing the riches of the Old Testament to bear on the life of the church this book makes scholarship on the poetic books accessible for pastors and pastors in training It also includes sample sermons
