Of Revelation The Open Of Prophecy:

The Book of Revelation Charles Homer Giblin,1991 The aim of this commentary on John s Apocalypse is to render it readable and appealing Built around the orderly presentation of the author s translation of John s Greek text the commentary enables the reader to perceive and appreciate the literary unity coherence and definable theological emphasis of John s composition Intended strong points are a comprehensible analysis of the carefully wrought rhythmic structure of John s visions of his understanding of the end time in which we live and of dominant thematic aspects such as presenting God s Holy War of Liberation as the Gospel The commentary tries to do justice to John s own intention of providing an open unsealed book for a variety of readers

Heart of the Living God Michael G. Maness,2004-06-23 Maness asks us to tie up our sneakers for we are going to have some fun as we hike into the Grand Canyon of Love Love is the treasure of life It is Love all the way Nothing else really matters outside of Love Best of all our Love will only get better in heaven The treasured ability to have loving relationships is Gods gift to us in our Imago Deithe image of God we all share Likewise what we know of Love this side of heaven is but a dusty image of what God experiences I want to get personally involved says Maness Can we have a free will relationship with anyone even God if all of what we do and think is settled I dont think so Love is greater than that and I shall prove that and that is indeed a Grand Canyon Manes brings some of the brain splitting complexities of this to light with good humor introduces dynamic foreknowledge and challenges Classical Theisms avoidance of Love And he exposes some foul play in the process Thats the first half of the book For those wanting to strike out on their own wanting to see more of the depth and diversity of the Grand Canyon the second half contains reviews of about 60 major authors a 4 000 Abysmal Bibliography and a huge index to just about everything in the book Maness has thrown a gauntlet before the Classical Theists So tie up your sneakers and take a hike with Michael G Maness as he walks with you into the Grand Canyon see more at www.PreciousHeart.net

Revelations from Revelation Patrick M. Jones,2008-03 Like a jewel box filled with bright jewels and rare coins this book is a collection of the clearest views and brightest nuggets of light from many Second Advent writers concerning the precious prophecies of the Revelation of Jesus Christ Inside you will find the most amazing thought revelations the most beautiful jewels of truth you would never have thought of before Listen as the harmonious voices of many Second Advent authors make clear Revelation s fascinating lines of prophecies Follow the footsteps of God s leading in the past present and future If there was ever a book that should be and is studied today it is the book of Revelation In fact God has pronounced a blessing on those who hear read and keep the words of Revelation May this book be a springboard to still greater light for you *The Institute Tie* ,1916 Understanding the New Testament and the End Times, Second Edition Rob Dalrymple,2018-04-16 Many evangelicals have come to embrace a populist eschatology that has neither the support of the historical church nor of the scholarly world today For some this has led to a disillusionment with eschatological speculations For others the results are apathy and a failure to understand the mission of God s people This is

tragic For when the entirety of the New Testament is read and understood from an eschatological perspective the grand narrative of Scripture and its fulfillment in Jesus comes clearly into focus A proper framework for understanding eschatology directly correlates to a proper understanding of the mission of God's people who are themselves carrying forth the biblical story as we approach the New Jerusalem To fail to comprehend eschatology is to fail to comprehend our mission This book has two objectives First to provide a proper hermeneutical framework from which we may discern a biblical eschatological worldview Second to demonstrate that a proper eschatological framework relates to the mission of God's people and the demand for holiness Thus eschatology matters

God's Absence and the Charismatic Presence Roy D. Kindelberger, 2017-05-17 The author's theological inquiry is intended to raise questions of interpretation within the camp of openness theology and to direct a discussion on the implications of this movement for the charismatic Pentecostal community Open theism or openness theology affirms that the universe is open the future is not settled God is essentially relational love and the risks of love and the threats against it are real The author digs deep into this area of doctrine in order to question how far openness theology is willing to go Is it only the future that is open to God or are there perhaps unknown aspects to the past and present as well What does God know about sin and when does he know it Is it possible for God to be totally absent from a person's life or even from an entire nation If God can be absent can he also be exceptionally present in the lives of believers What would the divine presence and the charismata spiritual ministries look like in an open universe

The Time Is Near Ian Foley, 2016-05-31 The Time Is Near the second and final volume of a paired set builds upon the foundations laid in the first volume to offer a comprehensive and systematic interpretation and explanation of the final book of the Bible Revelation The author Ian Foley summarizes the findings of the first volume before turning to an exploration of this often misunderstood biblical book This volume explains how two books of apocalyptic literature Daniel and Revelation have similar structures display similar styles of writing and offer seamlessly connecting content The benefit of this comparison comes in recognizing that the ambiguities and confusions of meaning that typically accompany readings of Revelation fade away The reader then receives a clear view of a complete prophetic picture of God's plan for his world stretching from 605 BC to the end of this age and beyond In its thirty two parts The Time Is Near presents concise statements of position that begin with Daniel dwell on Jesus and Paul and then focus primarily on Revelation By offering this overall summary of a clear word of prophecy and by supporting it with immersion in the Bible and reflection on historical events The Time Is Near invites readers reflection and testing In a time in which the worldwide church faces great challenges The Time Is Near speaks clearly of refreshingly new insights that will

help Christians to face those challenges and to resolve their uncertainties about the meaning of Revelation for this world and the next

Prophecy and Revelation - God's Plan for the Ages Kendall Brashears,2010-12

Prophecy and Revelation God s Plan for the Ages invites people to explore end times biblical prophecy and to open Revelation the last book of the Bible These sources reveal God s will for individuals and His whole world Kendall Brashears distills almost two decades of dedicated study and presents it with the skill of a seasoned educator His hard work has yielded an approachable guide to ancient and sometimes difficult texts featuring verse by verse explanations of key passages Through his prophetic research and years of teaching Brashears will explore the following

What end time events are we seeing today and are we getting close to the end Will the Rapture of believers precede the Tribulation and if so how will it happen Will we know who the Antichrist is before the Rapture and what will he look like If there is a seven year Tribulation on earth what will it be like and who will go through it The answers to these questions and many more are discussed thoroughly in this study If you have wondered what God has planned for His world if you ask yourself whether distressing events signal the coming end of human history or if you want to grow in your knowledge of the details contained in the Bible s prophetic and apocalyptic passages then *Prophecy and Revelation God s Plan for the Ages* will serve you well as a tool for deepening your understanding You will emerge from your experience with a breadth of knowledge that provides guidance both for weathering the winds that blow through life and for clinging to the assurance of God s plan for care and comfort in uncertain times
